Janine Folks

Seasons Change Belinda R. Barksdale, 2011-02-10 Seasons Change is a contemporary work of fiction that explores the lives of several Christians who are at various seasons in their lives. The main character, Renate, struggles with past hurts from a previous relationship but puts on a brave and happy façade as if all is right in her world. The reality is that she has to acknowledge her hurts but not allow them to hinder or dictate her future. The other characters have struggles too as they try to reconcile walking the path that God has laid before them, i.e, walking into their destiny vs. choosing their own path and being outside of the will of God. This book is guaranteed to give you something to think about as we all face different seasons in our lives. No matter what seasons you are on, stay on the course and let God lead the way.

Why Do the Seasons Change? Melissa Stewart, 2007 The seasons divide the year, one leading into another. The cold of winter gives way to the warmth of spring and the heat of summer. Then autumn arrives with its chilly air and colorful, falling leaves. Why Do the Seasons Change? traces this pattern, as Earth makes its slow journey through space. Book jacket.

Seasons Change Patricia y. Evers, 2013 Change is inevitable and very necessary, the way we receive it will determine whether we strive, survive, or thrive. As the natural seasons change, so do the seasons of our lives. Seasons change is an inspiring practical book that serves as a navigational tool through the seasons of change in our lives. It talks about the natural and spiritual seasons of winter, spring, summer and fall/autumn and what signs to look out for in each season. It also talks about how you lead change in your life by your response rather than allowing change to lead your life by your reaction. The journaling assignment is thought provoking and allows you to consider your role as well as God's role in your process of change. It is time to be a victor and not a victim of change!

A Season of Change Geraldine Fisher Ashe, 2011-03-14 The years have flown by for the people of the cove. Children have grown into young adults, and love is blossoming in the hearts and minds of many. But with love also comes heartache. Two people who thought nothing could ever come between them are torn apart by jealousy, anger, and resentment. Can years of love and friendship mend this rift? Will they look to God and remember that they must love and forgive one another as God first loved and forgave us. With the passing of years also comes the aging and passing of dear friends. But joy can be found in the knowledge that as Christians these friends have only moved on to their final reward and those left behind can look forward to a happy reunion one day. For those who know Christ as their Savior never have to say goodbye forever. As the seasons change so do the lives of the people of the cove. The lives of many will be changed forever with the long awaited return of a man, many had prayed would find his way home again. As children grow their parents must learn to let them go and trust that God will hold them safely in his hands. One particular mother in the cove learns this lesson through many prayers and tears. But just as she accepts that children must grow up and live their own lives God sends her an unexpected blessing that reminds her of his wisdom and grace. God tells us for everything there is a season and a time and place under heaven. Come and share the seasons and the changes with the people of the cove. Through their lives you will witness the wonder of God's infinite love and the wisdom of his seasons of change.

Each entry is from a significant time of change in the author's own life. Her prayer is that those who read this book will turn their eyes upon Jesus, who is the author and finisher of the faith of those who put their trust in Him. A Season for Change Rachel Vanderwood, 2023-02-08 Christian Merrane has always been outgoing, popular, and adventurous. For as long as he can remember, his spirit has been one to force him into constant motion. He had always been curious to learn and fearless to accept any challenge. Throughout his life, he searched to find the answers he knew were kept hidden from him to define his place in the world, but in his efforts to learn his purpose, he often found himself facing reprimand for the daring actions he took to prove himself. Now facing those same unanswered questions he's always kept hidden within him as he approaches becoming an adult member of society, Christian finds alternative means to subdue the driving forces compelling him to act--means that lead him away from his true purpose in life--that is, until he is forced to face the one thing he fears the most. As he suffers through a loss he never could have prepared himself to endure, Christian finds himself on the edge of two paths--one that will lead him on a path of self-destruction and the other toward a path that will open his eyes and his heart to the answers he's been seeking. Although he faces influences pulling him away from who he is intended to be, others enter his life in the moments he needs them the most to combat the forces against him. And although

help is within his reach, it is up to Christian to decide which road he travels.
