Hidden Water (Western Novel) Dane Coolidge, 2017-10-06 This eBook edition of *Hidden Water* (Western Novel) has been formatted to the highest digital standards and adjusted for readability on all devices. Excerpt: After many long, brooding days of sunshine, when the clean-cut mountains gleamed brilliantly against the sky and the grama grass curled slowly on its stem, the rain wind rose up suddenly out of Papaguería and swooped down upon the desolate town of Bender, whirling a cloud of dust before it; and the inhabitants, man and horse, took to cover. New-born clouds, rushing out of the ruck of flying dirt, cast a cold, damp shadow upon the earth and hurried past; white-crested thunder-caps, piling-up above the Four Peaks, swept resolutely down to meet them; and the storm wind, laden with the smell of greasewood and wetted alkali, lashed the gaunt desert bushes mercilessly as it howled across the plain.... Dane Coolidge (1873-1940) was a prolific author of western novels and Indian tales.

Gold and Quilts Robert Gillon, 2021-11-15 Maynard Jacobs and his friends search for adventure leads them to a remote mountain cabin, where they spend the summer prospecting for gold in the historic Arizona gold fields. The events of the summer lead to conflict and treachery, and in the end, they go their separate ways. Years later his grandchildren experience tumultuous change and retreat to their grandfather's ranch. Here they explore the mountain where their Papa and his friends

sought a fortune in gold, long before they were born. And here they learn of the faith that sustained their beloved Nana and Papa. When villains from the past reappear, the children are separated from their grandfather and forced to flee alone on horseback. In the harsh Arizona wilderness, the children must survive by their own courage and faith, and their eyes open to see the miraculous in the ordinary.
