John Wayne Speaks Mark Orwoll, 2025-09-23 With more than 1,100 impeccably sourced quotes from throughout John Wayne's 172-film career, *John Wayne Speaks: The Ultimate John Wayne Quote Book* provides what has often been missing from other Duke Wayne reference books: accuracy, context, and comprehensiveness. These quotations offer a deep dive into Wayne's films and acting persona—the iconic American man of action whose sense of values and decency are a veneer covering a boiling pot of determination, courage, outrage, and even violence. The quotes in *John Wayne Speaks* are at once inspirational, humorous, touching, and revealing. Author and veteran journalist Mark Orwoll has created an overlay of categories into which each quote fits, making the manuscript easy for readers to find the type of quote—or even the exact quote, footnoted to identify its film—they may be searching for. But *John Wayne Speaks* is more than just a collection of the actor's movie lines. Orwoll has researched and written an in-depth introduction to Wayne's film career to put the quotes in a broader context. Movie-lovers will also appreciate the author's opinionated capsule reviews and production notes from Wayne's complete filmography. *John Wayne Speaks* is the quote book that every fan of the Duke needs and a delightful addition to any cinephile's library.

**Lead Solo** Frank Weisser, 2025-05-06 “Pull your green ring! Pull your green ring!” That came through loud and clear over the radio despite all the other talking between the various jets and the controllers. It was my Division Leader, one of our Squadron’s most senior pilots, on a night flight during my first period flying off the aircraft carrier. I had unknowingly fallen victim to hypoxia and was minutes, if not seconds, away from dying as I very much intended to softly land in a nearby swamp so I could get some much-needed rest. Moments later, having pulled the green ring resulting in pure oxygen being delivered instantly, I looked outside and said “Holy sh\*t. I’m flying. And it’s nighttime.” From the cockpit of an F/A-18 Hornet, Cdr. Frank Weisser, USN, conveys the lessons he learned flying as the Lead Solo for the Blue Angels, on multiple combat deployments, and as stunt pilot for the blockbuster film *Top Gun: Maverick*. So, how do you deal with adversity in your daily life? How do organizations and teams deal with it? How do you develop trust? What happens the moment something goes wrong? Each chapter of *Lead Solo* opens with a flight sequence and describes a lesson, skill, or value that Weisser learned in the sky that subsequently carried him through a life of service with the Navy: finding focus, developing trust, opening communication, overcoming adversity, facing failure, and recognizing courage within oneself. With a focus on the instructors,

flight team members, and colleagues who taught and guided him, this short, accessible book contains universal wisdom on how to live thoughtfully, live with courage, and live well.

**Counterculture Evangelical Issues in the New Millennium** William Lewis, 2022-06-03 From the colonial period until modern times Christians have played a major role in the development of the United States of America. At the beginning, Christians had major input into the creation of the guiding documents and laws that helped the United States grow into a strong, free nation. During the previous century into the current century Christian influence has begun to wane and the respect for Bible believing evangelical Christians within the general culture has eroded. As the Twenty-first Century continues to evolve, evangelical Christians find themselves mocked and ridiculed by the broader culture. The greater American culture has relegated evangelical Christians to the position of being a counterculture. To survive as a counterculture, evangelicals must consider their stands on several issues and fight for Biblical principles. This book seeks to bring the issues to the forefront for consideration by all Bible believing Christians.
