Horizontum - Finanzas & Cultura

Horizontum 32 Horizontum - Finanzas & Cultura, 2020-06-29 Les presentamos el número 32 de su revista HORIZONTUM, dedicado a la reapertura progresiva de la actividad económica tras meses de confinamiento ante un escenario en el que la pandemia por el COVID-19 aún no se encuentra bajo control. Como siempre, iniciamos con las perspectivas económicas y políticas de la mano de nuestros distinguidos colaboradores Federico Rubli y Gerardo Nieto, respectivamente. En el contexto actual, nos dimos a la tarea de investigar sobre algunos sectores que se han visto fuertemente afectados por la crisis sanitaria, entre ellos el turismo y las PYME. Para ello entrevistamos a empresarios y emprendedores en México, Perú y Polonia que nos compartieron sus puntos de vista, las medidas que han tomado y los retos a enfrentar con miras a la reapertura. Asimismo, platicamos con profesores de distintos niveles y sistemas educativos para profundizar sobre la temática del homeschooling, los pros y contras de la enseñanza en línea lejos de las aulas. También abordamos el tema del Home Office y cómo esta manera de trabajo influye en la productividad de las personas. En otros asuntos, las colaboraciones de la Dra. Sotres hablan, por un lado, sobre Muhammad Yunus, quien plantea los retos en la era pos-COVID-19, y, por otro, de cómo tanto creatividad como transformación son útiles en las empresas para responder a la disrupción. El Dr. Horacio Rafael expone los efectos del confinamiento en la salud mental de las personas. En esta línea, el Lic. Víctor Anaya escribe sobre la violencia familiar en estos tiempos. Además, el maestro Ortiz Yustis aconseja a las empresas estar al tanto de sus obligaciones fiscales. Tuvimos la oportunidad de acercarnos al mundo de los artesanos oaxaqueños para reflexionar sobre la situación por la que atraviesan en estos momentos. A su vez, contamos con la aportación del actor y escritor Marco Uriel, quien plasma la situación de su gremio en tiempos de pandemia. Finalmente, la colaboración de AABA México nos presenta la importancia del arte en tiempos de añoranza. En la sección cultural ahondamos en la nueva realidad de los museos en el mundo que se preparan para un turismo más responsables, y menos masificado. Nuestra experta en arte, A. Naibí Domínguez, escribe sobre los pintores de la Peste Negra a la vez que nos recuerda la trayectoria del gran Leonardo da Vinci, considerado además un gran visionario. Por último, la Dra. Bertha Eugenia asistió en los meses precoronavirus a la exposición de Ricardo Riii, una promesa del arte mexicano contemporáneo. La portada de este número la debemos al artista mexicano Diego Rodríguez, quien desde su estudio en la CDMX nos muestra su obra en la que plasma ese afán por encontrar un equilibrio entre la razón y el espíritu. Queridos lectores, queremos darles las gracias por acompañarnos en un número

más. Nos estamos preparando para ser testigos del acontecer económico y cultural ante la llamada ‘nueva normalidad’.

Estilo Taekwondo Dennis W Barbeau, Michael C Bronson, 2013-12 Este primer DVD, video y el manual de entrenamiento Nº 1 se centran en los conceptos básicos del arte marcial coreano llamado TAEKWONDO. Nos complace presentar el primer video y manual de entrenamiento de diversos programas planificados para niños y adultos. Los manuales son de fácil lectura y adecuados para la edad, y muestran instrucciones paso a paso tanto en inglés como en español (tenemos planeado añadir más idiomas). Este manual de entrenamiento y su correspondiente video son los primeros de una serie de programas que te ayudarán a entender cómo practicar Taekwondo. Muestran los conceptos básicos para comenzar con esta disciplina. Los manuales pueden utilizarse solos, pero son más útiles cuando se usan como guía mientras se mira el video de KARATE KIDS CONNECTION correspondiente. En este primer video del programa vamos a utilizar nuestro tiempo para mirar algunos conceptos básicos, tales como la forma correcta de cerrar el puño, algunas posturas para defenderse y la “patada giratoria”, una de las más utilizadas en el TKD. Hay varias posturas que ellos utilizan para practicar TKD, las cuales se llaman POSICIONES. Aprenderás estas posiciones en DVD con este manual. En este video también te presentamos las técnicas de defensa llamadas técnicas de combate de un solo paso. Cada autodefensa normalmente comienza con una técnica de bloqueo seguida de un golpe de puño o patada. Hay varios golpes que pueden utilizarse: un puñetazo, mano de cuchillo, mano de lanza, codazo, reverso del puño, etc. Los ejercicios de bloqueo son muy importantes para proteger tu cuerpo de un golpe o una patada, o para prevenir que te golpeen con un arma (palo, bate, etc.) y te provoquen heridas. Las formas (llamadas poomsae en coreano) son una serie de patadas, golpes de puño y bloqueos coreografiados. Son la base de los movimientos de muchas artes marciales y preparan la mente y el cuerpo para responder y defenderse sin tener que pensar. Se practican de forma reiterada movimientos de defensa y de ataque para crear una respuesta automática a una agresión. Después de decir el credo y luego, comenzamos los ejercicios de estiramiento que utilizan la mayoría de los atletas profesionales para preparar sus músculos y evitar lesiones. En este primer video, puedes practicar algunos de los estiramientos iniciales con los Karate Kids, siguiendo los ejercicios que aparecen en las fotos. El Taekwondo es un arte marcial (militar). Así como los militares, los exploradores y otros grupos cívicos tienen lemas y creencias que aplican a la vida diaria, los alumnos de artes marciales también poseen principios de conducta. Estas creencias son a veces llamadas “principios” y los alumnos las repiten después de cada clase en la mayoría de las escuelas de artes marciales de renombre. Aquí y en el DVD se ven los cinco principios recitados por los KARATE KIDS. Cada uno de los programas instructivos no solo presenta aspectos específicos de las artes marciales, sino que hace hincapié en los buenos modales, el respeto, el carácter positivo, la seguridad y el buen estado de salud para niños y adultos. Nuestra meta es poder enseñarles artes marciales a todos, con calidad y de manera económica, brindando la información de un modo ágil, entretenido y fácil de aprender. En cada programa, el Maestro Barbeau ofrece un consejo para desarrollar el carácter con el objetivo de ayudar a todos sus alumnos de artes marciales a aprender y poner en

práctica buenos modales. Cada programa de KARATE KIDS CONNECTION comparte un consejo sobre seguridad. KARATE KIDS CONNECTION se dedica a mantener a los niños protegidos al tiempo que les brinda la oportunidad de aprender más acerca de las artes marciales. Enseñaremos muchos datos acerca de Corea, como su idioma, cultura y costumbres, muchas de las cuales usamos en el TKD. Aprenderás diversos tipos de patadas, golpes de mano, técnicas de bloqueo, técnicas de rompimiento, movimientos de autodefensa y técnicas de respiración adecuadas.

Taekwondo Moo Duk Kwan Antony Roberts, 2024-01-12 Es un gran placer presentarles este folleto de Taekwondo, una obra cuidadosamente diseñada para ayudar a los practicantes y entusiastas de este antiguo arte marcial. El Taekwondo, con su combinación única de técnicas de patadas, puñetazos y movimientos elegantes, ha ganado adeptos en todo el mundo, tanto por su eficacia como sistema de autodefensa como por su contribución al desarrollo físico, mental y espiritual de sus practicantes. El objetivo de este libro de trabajo es proporcionar una guía completa y accesible para aquellos que deseen profundizar sus conocimientos de Taekwondo, independientemente del nivel de experiencia. Abarca desde fundamentos básicos hasta técnicas avanzadas, proporcionando una base sólida para practicar y mejorar habilidades. En las siguientes páginas encontrará una variedad de temas, incluyendo posturas correctas, técnicas de patadas, puñetazos, bloqueos, defensa personal, poomsae, sparring y conceptos filosóficos inherentes al Taekwondo. Además, hay orientación sobre entrenamiento físico, flexibilidad, acondicionamiento y consejos para una práctica segura y eficiente. Este folleto fue preparado por expertos experimentados, basándose en principios y fundamentos reconocidos internacionalmente. Sin embargo, es importante resaltar que el Taekwondo es una disciplina en constante evolución, pudiendo surgir nuevas técnicas y enfoques. Por lo tanto, animamos a los lectores a continuar su viaje de aprendizaje y buscar orientación de instructores calificados. Si usted es un principiante entusiasta o un practicante experimentado que busca mejorar, esperamos que este libro de ejercicios de Taekwondo sea una herramienta valiosa en su viaje por el camino de las artes marciales. Que te inspire y motive a explorar los principios del Taekwondo, desarrollando fuerza física, disciplina mental y un espíritu de respeto y excelencia. Disfruta de este viaje de descubrimiento y dedicación al Taekwondo, y que encuentres en él no sólo una práctica física, sino también un camino hacia el autodomínio, el crecimiento personal y la búsqueda de la armonía interior. ¡Feliz lectura y excelentes entrenamientos!

Una etnografía de las artes marciales Javier Eloy Martínez Guirao, 2013-10-02 Las artes marciales del este asiático se han ido implementando paulatinamente hasta llegar a formar parte de nuestra cultura. Como actividades procedentes de otros lugares trajeron consigo valores, ideas, símbolos y modos de conducta propios que, tras sufrir un choque cultural en los primeros tiempos, se han ido adaptando a las sociedades receptoras. En este libro nos centramos en el estudio etnográfico del taekwondo para analizar, desde los años 70 del siglo XX hasta la actualidad, sus prácticas y discursos, así como los cambios que en este arte marcial han ido aconteciendo.
