Jennifer L. Armentrout

Half-Blood Jennifer L. Armentrout, 2017-09-15 Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods have godlike powers. Children of Hematoi and mortals well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

Half-Blood Jennifer L. Armentrout, 2014-08-14 READERS LOVE THE FIRST BOOK IN JLA'S ACCLAIMED STEAMY COVENANT SERIES 'Left me utterly speechless!!!!' 'Holy crap on a cracker this book is brilliant!' 'This is right up there with Twilight, The Mortal Instruments, and Vampire Academy' 'If you are in the mood for fiery, snarky characters, a fast-paced plot and a lot of swooning, go for it' 'The perfect hit for those of us who have been ailing from Vampire Academy withdrawals' TROPES Love triangle Forbidden romance Strong FMC Demons Magic powers You will kill the ones you love. It is in your blood, in your fate. Seventeen-year-old Alex and her mother have spent years on the run from the Covenant, a school where the pure descendants of gods hone their powers and half-mortal teens like Alex train to kill daimons for them. But when her mom is murdered by daimons and she has nobody else to turn to, Alex finds herself back at the Covenant, where she has two options: become a servant for the pures or work twice as hard as everyone else to catch up in her training. The second option seems like an easy choice, but everything gets complicated when pure-blood Aiden volunteers to be her personal trainer. Because not only is Aiden gorgeous, but he also understands Alex in a way she's never experienced before. Unfortunately, relationships between pures and half-bloods are strictly forbidden. But falling for Aiden isn't her biggest problem. As she learns the true reason her mother whisked her away from the Covenant and daimons close in on the school, she must fight to stay alive...even if it's her fault those around her are dropping dead.

Daimon (The Prequel to Half-Blood) Jennifer L. Armentrout, 2013-05-09 For three years, Alexandria has lived among mortals - pretending to be like them and trying to forget the duty she'd been trained to fulfil as a child of a mortal and a demigod. At seventeen, she's pretty much accepted that she's a freak by mortal standards... and that she'll never be prepared for that duty. According to her mother, that's a good thing. But as every descendent of the gods knows, Fate has a way of rearing her ugly head. A horrifying attack forces Alex to flee Miami and try to find her way back to the very place her mother had warned her she should never return - the Covenant. Every step that brings her closer to safety is one more step toward death... because she's being hunted by the very creatures she'd once trained to kill. The daimons have found her.

Elixir Jennifer L. Armentrout, 2012 Aiden St. Delphi will do anything to save Alex. Even if it means doing the one thing he will never forgive himself for. Even if it means making war against the gods.

Alex would give anything to be a normal half-blood, but she can't escape her destiny: On her eighteenth birthday, she will Awaken to become the second Apollyon, which has only ever happened once before. And it didn't end well. Maybe it wouldn't be so bad if her other half Seth weren't so infuriating...and somehow always around. Their connection does have some benefits, like staving off her nightmares of the tragic showdown with her mother, but it doesn't stop Alex from becoming a target for daimons, half-bloods, and pures who don't want her to make it to her eighteenth birthday at all. As if fighting for her life weren't bad enough, she also battles her heart as she tries to bury her feelings for the forbidden, pure-blooded Aiden. But as daimons infiltrate the Covenants and a mysterious threat looms over Alex at every turn, it is clear Aiden will do and sacrifice anything for her. When even the gods get involved, Alex can't help but wonder - how many people need to get hurt in order for her to survive?

Pure Jennifer L. Armentrout, 2017-08 Originally published April 2012 There is need. And then there is Fate... Being destined to become some kind of supernatural electrical outlet isn't exactly awesome-especially when Alexandria's other half is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom-so not cool. Their connection does have some benefits, like staving off her nightmares of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. Or what he will do-and sacrifice-for her. When daimons infiltrate the Covenants and attack students, the gods send furies-lesser gods determined to eradicate any threat to the Covenants and to the gods, and that includes the Apollyon... and Alex. And if that and hordes of aether-sucking monsters didn't blow bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her. When the gods are involved, some decisions can never, ever be undone.

Sentinel Jennifer L. Armentrout, 2013 It's a beautiful day for a war. As the mortal world slowly slips into chaos of the godly kind, Alexandria Andros must overcome a stunning defeat that has left her shaken and in doubt of their ability to end this war once and for all. And with all the obstacles between Alex and her happily-ever-after with the swoonworthy Aiden St. Delphi, they must now trust a deadly foe as they travel deep into the Underworld to release one of the most dangerous gods of all time. In the stunning, action-packed climax to the bestselling Covenant Series, Alex must face a terrible choice: the

destruction of everything and everyone she holds dear... or the end of herself.

Apollyon Jennifer L. Armentrout, 2013-05-09 The spellbinding fourth novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Fate isn't something to mess with... and now, neither is Alex. Alex has Awoken and become the Apollyon. She has connected with Seth and now the thing she feared most has happened: her true self has been lost. But love is stronger than fate, and Aiden St. Delphi will do anything to break the connection and get Alex back. And then there's the fact that the whole Alex-and-Seth combination is pretty dangerous: if Seth drains Alex of her power, he'll become the God Killer and the most powerful being on the planet. The one person needed to stop the impending destruction has been dead for centuries - and Alex will have to search for him in the Underworld. Finding her way into the Underworld to search for one soul among countless millions will be hard enough. Returning will be even harder. Alex needs to prevent Seth from becoming the God Killer...but the cost will be higher than she ever imagined. Deity Jennifer L. Armentrout, 2012-11-06 with bonus novella Elixir

Deity Jennifer L. Armentrout, 2014-10-16 Escape with the remarkable third novel of the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Also includes the bonus novella Elixir. History is on repeat, and things didn't go so well the last time. Alexandria never thought she would dread her eighteenth birthday quite so much. After a devastating turn of events where Aiden was forced to illegally cover up something she did in the Catskills, Alex is aware that she is walking a fine line with the Council. She is also beginning to discover that Seth is really using their training time to get up close and personal with her, which always leads to new Apollyon marks - not what she wants. As Alex's birthday draws near, she realizes something that she was not expecting and definitely not hoping for. She will have to choose between two people who she thought she could trust. Aiden has always protected her, and their love is becoming too strong to ignore for much longer, while it turns out Seth has been lying to her from the start. The gods are beginning to enter the game that has become Alex's life, and she knows that she'll discover soon if love can truly be stronger than fate.

Apollyon Jennifer L. Armentrout, 2017-08 Originally published April 2013 Fate isn't something to mess with and now, neither is Alex. Alex has always feared two things: losing herself in the Awakening and being placed on the Elixir. But love has always been stronger than Fate, and Aiden St. Delphi is willing to make war on the gods-and Alex herself-to bring her

back. The gods have killed thousands and could destroy entire cities in their quest to stop Seth from taking Alex's power and becoming the all-powerful God Killer. But breaking Alex's connection to Seth isn't the only problem. There are a few pesky little loopholes in the whole an Apollyon can't be killed theory, and the only person who might know how to stop the destruction has been dead for centuries. Finding their way past the barriers that guard the Underworld, searching for one soul among countless millions, and then somehow returning will be hard enough. Alex might be able to keep Seth from becoming the God Killer or she might become the God Killer herself.

Sentinel Jennifer L. Armentrout, 2017-08 Originally published November 2013 It's a beautiful day for a war. As the mortal world slowly slips into chaos of the godly kind, Alexandria Andros must overcome a stunning defeat that has left her shaken and in doubt of their ability to end this war once and for all. And with all the obstacles between Alex and her happily-ever-after with the swoonworthy Aiden St. Delphi, they must now trust a deadly foe as they travel deep into the Underworld to release one of the most dangerous gods of all time. In the stunning, action-packed climax to the bestselling Covenant Series, Alex must face a terrible choice: the destruction of everything and everyone she holds dear... or the end of herself.

Deity Jennifer L. Armentrout, 2012 History is on repeat, and things didn't go so well the last time. Alexandria isn't sure she's going to make it to her eighteenth birthday--to her Awakening. A long-forgotten, fanatical order is out to kill her, and if the Council ever discovers what she did in the Catskills, she's a goner... and so is Aiden. If that's not freaky enough, whenever Alex and Seth spend time training--which really is just Seth's code word for some up-close and personal one-on-one time--she ends up with another mark of the Apollyon, which brings her one step closer to Awakening ahead of schedule. Awesome. But as her birthday draws near, her entire world shatters with a startling revelation and she's caught between love and Fate. One will do anything to protect her. One has been lying to her since the beginning. Once the gods have revealed themselves, unleashing their wrath, lives will be irrevocably changed and destroyed. Those left standing will discover if love is truly greater than Fate...

War between the races seems inevitable, and it couldn't come at a worse time. Seth must prepare Josie for battle, which means teaching her how to control her newfound demigod abilities...and they need to find and rescue the other demigods before their enemies - the Titans - find them first. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon in the form of Seth. The aether in Josie is drawing Seth in deeper, and when lust mixes with love and gives way to power, he knows being close to her is becoming explosively dangerous. But letting her go requires a level of selflessness that just isn't Seth's style.
