**The Paul McCartney Encyclopedia** Bill Harry, 2002 The Paul McCartney Encyclopedia is the most comprehensive book about Paul McCartney ever written. By best-selling author and Beatles expert Bill Harry, this A-Z of over half a million words will tell you everything you ever wanted to know about one of the greatest songwriters of the twentieth century. What is the truth behind his relationship with Yoko Ono? What was George Harrison's attitude toward him? Why did he decide to dissolve the Beatles? Did he and John Lennon come to a reconciliation? What was his opinion about taking LSD? What was Paul's life like behind bars in Japan? Why has his former council house become a shrine? With almost 2000 entries covering his family history from birth, his many love affairs, his opinions about drugs, his songs, records, concerts and honours bestowed upon him over the years, together with a full discography and bibliography, this book is packed with new material and unique insights into the life of Paul McCartney. Over 2000 separate entries and 500,000 words make this the definitive book on Paul McCartney. Bill Harry is the leading authority on the Beatles and founder of the music paper Mersey Beat, that helped launch the Beatles.

Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.
