[This Thread of Gold](#) Catherine Joy White, 2024-06-11 \*\*Finalist for the 2025 Zora Awards\*\* “Beautiful... A gift to ourselves and to the world.” — Mikki Kendall, New York Times bestselling author of Hood Feminism From gender adviser to the UN Catherine Joy White comes *This Thread of Gold*, a lyrical celebration of the history of Black women who challenged stereotypes through film, politics, activism, and beyond. This immersive and empowering read blends history, reporting, and personal stories to weave a gorgeous tapestry from the resilience of Black women. As White writes, “Black women are not victims. Black women are alchemists, spinning gold from a life of hardship. . . . This book is dedicated solely to Black women surviving, thriving, and glowing.” White’s book features revolutionary women from across time and space, liberating them from reductive stereotypes like “the strong Black woman,” and allowing space for emotional nuance, individual motivation, and richness of expression. White offers fresh insights into the work of Beyoncé and Nina Simone, Shirley Chisholm and Meghan Markle, as well as the work of those who resisted in secret—in kitchens, in churches, and through trusted networks. By weaving these women together, White reveals new ways to understand Black womanhood and she is sure to inspire new generations of readers.

You Are Enough Dania Rizbuh,2025-04-10 Have you ever felt like you are not good enough? Like no matter what you do, it is never quite enough? You are not alone. And more importantly - that feeling is not the truth. You Are Enough is a gentle companion for those quiet moments of doubt. This book brings together 110 powerful quotes from poets, philosophers, authors, and everyday voices - each one a reminder that your worth is not defined by what you do, how you look, or what others think of you. These words are here to meet you where you are - on your best days, your hardest days, and all the in-between days. Whether you are healing from the past, trying to silence your inner critic, or just looking for a little light, this collection will speak to your heart. Inside, you will find quotes from: Maya Angelou Rumi Brené Brown Eleanor Roosevelt And many anonymous but deeply wise voices who understand what it means to question your worth - and rise anyway. This is not just a book. It is a mirror. A pause. A breath of kindness in a world that often asks us to be everything but ourselves. Let it remind you of what you may have forgotten: You are already enough. Exactly as you are. Give this to yourself, or to someone who needs to hear these words. Because sometimes, all it takes is one quote to begin to believe again.

Your awareness of it did. A strong understanding of self-worth is crucial to living an authentic and fulfilling life, yet so many of us have lost that sense of who we truly are and what we are worthy of. In her second book, Sunday Times bestselling author and psychotherapist Anna Mathur will set you on a journey towards greater self-worth. Anna will use her personal and professional insight to guide you to a place of balance that will allow you to recognise and appreciate your self-worth, build your self-esteem, grow in confidence and worry less about what other people think. Using Anna's own experience of embarking on this journey herself, and spending ten years facilitating her therapy clients to do the same, Know Your Worth will help you to understand why you feel the way you do, what perpetuates it and

what the cost of low self-esteem has been for you. It will provide the coping mechanisms, habits and tips that will redirect your self-esteem on a healthy and fulfilling upward spiral and help you to escape the relentless desire to 'be better' and 'do more' with the realisation that perhaps you were actually far more acceptable than you first thought.

*Short Self-Esteem Quotes* Mazimum C Jerri, 2020-11-16 All those whose self esteem, self worth, self confidence, and all the other selfs has taken a nose dive into Hell, say Ay! You're so not alone. There are so many of us struggling with low self esteem and self worth. For all of us, I've put together this wonderful list of self worth quotes. We all have different stories as to where the heck our self worth went. Most of them stem from abusive partners or parents/family. We let people treat us poorly for many different reasons. I write these messages out on post it notes and stick those suckers all over my house. Oh yes I sure do! I'm not always filled with self confidence or self worth and sometimes I have days where I have low self esteem too. Those are the days I need inspirational sayings to get me through these tough times. I think we all do. For some of us, these motivational messages work perfectly. Others need self help books. Whatever the case may be, these things work!! Self-esteem is essential for psychological survival. It is an emotional sine qua non - without some measure of self-worth, life can be enormously painful, with many basic needs going unmet, said Patrick Fanning and Matthew McKay in *Self-Esteem: A Proven Program of Cognitive Techniques for Assessing, Improving, and Maintaining Your Self-Esteem*.
