The Great American Bathroom Book Compact Classics,1992-10 The Great American Bathroom Book had its beginnings on a cross-country flight, as Lan England started wishing he had a short summary of every classic he'd heard about but didn't have time to read. Lan decided he wasn't the only person who felt this way. He hired Stevens Anderson, an editor, who hired college professors and other bookworms who loved to read. The result was the The Great American Bathroom Book, Vol I, a collection of 130 2-page summaries from great books of all genres, from Don Quixote to The Road Less Traveled. Volume I also features 90 research overviews on subjects like Putting Spark in Your Relationships, Managing Conflict, Time-saving Tips, and more. Volume II features over 220 book summaries and a section of Quotes and Anecdotes. Volume III has more than 180 new summaries, as well as 8 Thought Collections and sections of Facts and Inquiries.

**When Love Meets Fear** David Richo,1997 This book has been written for all people who want to let go of unreasonable fear or act more creatively in the face of reasonable fear. It examines the roots of fear - the fear of change, of self-disclosure, of giving and receiving, of being alone. Beneath all of these is the greatest fear of all: the fear of love. Psychologist David Richo has charted a path that can free us from the grip of fear. He suggests things to do that will help us to love even when we're afraid. The way to gain power over fear, he says, is first to become defenseless. When, despite our trepidation, we embrace our weakness, we can no longer be wounded, and fear loses its hold over us.

**Stairway to Serenity** ,1988 When it comes to developing our spirituality, a lot of us hold back because we're unsure if we're doing it 'right' and don't know how to measure the results. Stairway to Serenity is a down to earth guide for finding serenity through spiritual growth. This is not a book of philosophy or theory. The author documents what has worked for himself and others like him who have found their spiritual experience in the the daily miracle of recovery. In this easily readable, conversational book, we can see how through the Eleventh Step of Alcoholics Anonymous, we can discover a peace of mind greater than any 'high' we found in addiction. Stairway to Serenity, based on solid Twelve Step thinking, outlines specific actions we can take to enhance our spiratual progress. Whether we've been struggling to find 'conscious contact' for a day, a year, or a decade, Stairway to Serenity delivers good, everyday spiritual experience with refreshing sincerity and gut-level honesty.--From cover.

*Self-Love* Joseph Magno,2000-03-09 Self-Love is an original and insightful study of a much-maligned concept that may in fact hold the key to well being. Author Joseph Magno explores the positive aspects of self-love as well as the destructive consequences that can result when it is lacking. Building on the perspective that human beings are inherently loving by nature, Magno argues that self-love is causally and reciprocally linked to selflessly loving others. By contrast, fear, selfishness, suffering, and even the abuse of others may arise from a dearth of self-love. Magno further maintains that self-love in the sense of self-acceptance provides the essential link between physical and psychological health. Putting theory into practice, Magno also demonstrates how the principles he describes may be applied to recover self-love and ultimately restore wholeness and well being. Self-Love offers a philosophy of holistic health that will be an important resource for psychologists, social workers, health care professionals or anyone seeking physical, psychological, or spiritual renewal.
