Musical Theater Alyson McLamore, 2016-09-16 For Surveys of Musical Theater, Music Appreciation courses and Popular Culture Surveys. This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres. This introduction provides more than a history of musical theater, it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists. The familiarity of the musical helps students understand how music functions in a song and a show, while giving them the vocabulary to discuss their perceptions.

Broadway Sheet Music Donald J. Stubblebine, 1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.
