Beyond the Box T. H. Cooney, 2017-04-18 Everyone loves movies, right!? But I love them so much I can't help but delve deep into them. I have a system for understanding what makes a great movie: my movie peeves!... or it could just be my opinion! It's just a movie, don't take it so seriously people say. Well, to that I say ha! People mistake those who love movies for nitpickers. In fact, we adore movies so much that we practically have love affairs with them and appreciate them in unimaginable ways. So join me as we delve into the world's most powerful, influential art, appreciate its legacies, and ultimately learn my theories as to why so many stinkers are hitting our screens lately... - Learn some fascinating facts about old and new movies - Understand how much a part of our lives the movie industry is - See the movies you know and love in a whole new light - Realise how the value of movies is a delicious banquet constantly being ravaged by the economy, and therefore sadly suffering. But we still love them always!
