Sarina Bowen

The New Guy Sarina Bowen, 2023-02-28 A new male / male hockey romance from bestseller Sarina Bowen! My name is Hudson Newgate, but my teammates call me New Guy. That was my nickname in Chicago, too. And Vancouver. That's what happens when you keep getting traded. Brooklyn is my last chance, especially after my poor performance last season. But I can make this work. The new guy knows to keep his head down and shoot the puck. The new guy puts the game first. What he doesn't do is hook up with the other new guy—a hot athletic trainer who lives in my building. Gavin needs this job with my team. He's a single dad with responsibilities. We can't be a couple. My arrogant agent—who's also my father—will lose his mind if I'm dating a dude. And my team needs me to score goals, not whip up a media circus. Too bad Gavin and I are terrible at resisting each other...

The Last Guy on Earth Sarina Bowen, 2025-02-18 One cold December day, two men are blindsided by a hockey trade; one is the most decorated goalie in the league, while the other one is the youngest coach in the majors. Jethro Hale is the last player Coach Clay Powers wants to see on his roster, but the G.M. pulls a fast one. And it's not like he can even explain why. Nobody knows about their love affair fifteen years ago. Cue the all-star awkwardness, the painful memories and the reawakening of deep feelings on both sides. Unfortunately, their attraction still burns brightly. But it can never be. A player and a coach? The scandal would overshadow the team's banner year. If only they could resist each other... The Understatement of the Year Sarina Bowen, 2022-10-21 What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual orientation from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only out player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his

former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the Understatement of the Year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.

I'm Your Guy Sarina Bowen, 2023-10-10 TOMMASO The furniture district is my personal hell. I don't know my ass from an ottoman. But when a hot designer comes to my rescue, I realize my problems are bigger than the house I'm trying to furnish. A scorching kiss over fabric samples makes me question all my choices. But is it too late to change my entire life to get more of them? CARTER I need this gig, but my cocky new client leaves out a couple crucial details: He doesn't mention that he's a famous hockey player. And he doesn't own up to the way he's always trying to undress me with his dark, broody eyes. The man throws out more mixed signals than a broken traffic light. I've never been more sexually frustrated in my entire life. I need to back away before I do something stupid, like lose my heart. Oops. Too late.

A Little Too Late Sarina Bowen, 2022-10-04 New from twenty-time USA Today bestseller Sarina Bowen! How to behave when the guy who broke your heart two thousand miles away turns up in your office: One: Don't drop your lucky coffee cup in shock, even though it's been ten years. Two: Don't get defensive when he asks how you ended up working his family's ski mountain... and why you kept it a secret. Three: Give him the worst room in the resort. He deserves it for suddenly waltzing back in like he owns the place. (Which he kind of does.) Four, five, six, seven, eight and nine: Do not kiss him in the hot tub. Ten: Try to keep your heart intact after you break all of your rules. Because Reed is leaving again. Hate can't turn back into love. And it's a little too late...

I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything. Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street.
