**Alexander Hume Ford**

**The New Pearl Harbor** David Ray Griffin, 2004 This 2nd edition contains a 30-page Afterword with additional material. Griffin, an eminent philosopher and theologian, brings together an account of the national tragedy that is far more logical than the one we've been asked to believe. Gathering stories from the mainstream press, reports from other countries, the work of other researchers, and the contradictory words of members of the Bush administration themselves, Griffin presents a case that leaves very little doubt that the attacks of 9/11 need to be further investigated.

**Summary: The New Pearl Harbor** Businessnews Publishing, 2017-01-30 The must-read summary of David Ray Griffin's book: *The New Pearl Harbor: Disturbing Questions about the Bush Administration and 9/11*. This complete summary of *The New Pearl Harbor* by David Ray Griffin, a prominent professor and conspiracy theorist, outlines the research carried out by the author on the events of 9/11. Griffin thoroughly investigated the evidence given by the press, reports, researchers, and the Bush administration, which caused him to question the official story given about that tragic day. He believes that the Bush administration played a part in the attacks, which they used as an excuse for their aggressive foreign policy. Added-value of this summary: - Save time - Understand conspiracy theories surrounding the 9/11 attacks - Expand your knowledge of American politics and society To learn more, read *The New Pearl Harbor* and discover the missing information and explanations surrounding the 9/11 attacks.

**The New Pearl Harbor Revisited** David Ray Griffin, 2012-12-30 This second edition contains a 30-page Afterword with additional material on the alleged hijackers, controlled demolition of the WTC, Sibel Edmonds, and the 9/11 Commission, plus a discussion of whether Standard Operating Procedures had been changed in June 2001. From a skeptical vantage-point, but also taking to heart the classic idea that those who benefit from a crime ought to at least be investigated, Griffin, an eminent philosopher and theologian, brings together an account of the national tragedy that is far more logical than the one we've been asked to believe. Gathering stories from the mainstream press, reports from other countries, the work of other researchers, and the contradictory words of members of the Bush administration themselves, Griffin presents a case that leaves very little doubt that the attacks of 9/11 need to be further investigated. The disturbing questions emerge from every

part of the story, from every angle, until it is impossible not to seriously doubt the official story, and suspect its architects of enormous deception. Long a teacher of ethics and systematic theology, Griffin writes with compelling and passionate logic, urging readers to draw their own conclusions from the evidence outlined. The New Pearl Harbor rings with the conviction that it is possible, even today, to search for the truth; it is a stirring call that we demand a real investigation into what happened on 9/11.

*Hidden Finance, Rogue Networks, and Secret Sorcery* Joseph P. Farrell, 2020-04-19 Pursuing his investigations of high financial fraud, international banking, hidden systems of finance, black budgets and breakaway civilizations, author and researcher Joseph P. Farrell investigates the theory that there were not two levels to the 9/11 event, but three. He says that the twin towers were downed by the force of an exotic energy weapon, one similar to the Tesla energy weapon suggested by Dr. Judy Wood, and ties together the tangled web of missing money, secret technology and involvement of portions of the Saudi royal family. Farrell unravels the many layers behind the 9-11 attack, layers that include the Deutschebank, the Bush family, the German industrialist Carl Duisberg, Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII. It is Farrell at his best—uncovering the massive financial fraud, special operations and hidden technology of the breakaway civilization.

*The Prophecy and the Warnings Shines Through the Mystifying Codes of the Holy Quran* Adel Awadalla, 2004 Nostradamus (1503-1566), a Jewish-French physician and astrologer, wrote a book of over 900 predictions. A lot of these predictions came true. How could he get to this precision in his predictions? So, could Nostradamus make these predictions? And what books did he use? For someone to predict the future with this precision, he must be a man who knew the secret methods of predicting the future, as we will explain. The author will show you how these predictions came about, and how we can make our own predictions, and events about to happen. It's been said that the CIA uses the Bible and the Book of Revelation and other holy books as the backbone of all their plans and plots.

**Hitler's Doubles** Peter Fotis Kapnistos, 2015-04-08 Was the brutal dictator of the 20th century the masked instrument of a double image delusion? Recently released war records reveal political decoys (doppelgangers or body-doubles). It is documented that the Nazi Fuhrer vetted at least four doubles. Look-alikes and crisis actors were used to impersonate Hitler in order to draw attention away from him and to deal with risks on his behalf. Hitler's Doubles details their names, their peacetime occupations, their deaths, and an escape to South America. Cold War II Revision: (Trump-Putin Summit) The Cold War II Revision [2018] is a reworked and updated account of the original 2015 "Hitler's Doubles" with an improved Index. Ascertaining that Hitler made use of political decoys, the chronological order of this book shows how a Shadow Government of crisis actors and fake outcomes operated through the years following Hitler's death -- until our time, together with pop culture memes such as "Wunderwaffe" climate change weapons, Brexit Britain, and Trump's America. (More Russians now

have encouraging sentiments toward the U.S. for the first time since 2014.) “Hitler’s Doubles” covers modern world history events from WWII until today: The assassination of JFK, the Watergate scandal, the Iran hostage crisis, the Iran-Contra affair, the collapse of the Soviet Union, the attacks of 9/11, the appearance of the Islamic State -- with their cloaked backing of ex-Nazi interests. “Hitler’s Doubles” includes much more information than its enigmatic title implies. This document is presented as a series of news articles in book form. Some material is repeated or revised. Many photos date back to pre-war times. (Italic text depicts a what-if scenario analysis by the author.) Thanks to author Fritz Springmeier & biographer William Cross who advised an update. This was fascinating... You seem to have found something important! (John Kiriakou, former CIA officer and anti-torture whistleblower, author of *Doing Time Like A Spy*.) An entire Grand Unified Conspiracy Theory of the Third Reich... This book covers it all. (Christian Ankerstjerne, Forum Staff, Axis History.) WOW! That is one heck of a book... Your book lends proof that Adolf Hitler did not kill himself in the Bunker nor did Eva... (Harry Cooper, author of *Hitler in Argentina*.) Wow. Your book just overwhelmed me and caught me by surprise as to what it got into. I wasn't expecting that... You've done a tremendous amount of research here to document a unique aspect of World War II history... This book will blow your mind and give you a more in-depth perspective of various historical events. (David Allen Rivera, author of *Final Warning: A History of the New World Order*.) Excellent reference book. (A Verified UK Purchase Customer Review) Four Stars. It's very interesting. (A Verified USA Purchase Customer Review) [The author] offers a summary at the end about each double. The information regarding the doubles is very good. However, the evidence is very persuasive that Hitler did escape. (A Verified USA Purchase Customer Review) The world's first donor artificial insemination was with the wife of a Quaker in the late 1800s. Who was the top-secret paternal donor? Was the Quaker-son secret agent Aleister Crowley one of Adolf Hitler's doubles? Why did Walt Disney make use of Nazi scientists to build space technology after he visited South America? Hitler's Doubles covers modern world history events from WWII until today: The assassination of JFK, the Watergate scandal, the Iran hostage crisis, the Iran-Contra affair, the collapse of the Soviet Union, the attacks of 9/11, the appearance of the Islamic State -- with their cloaked backing of ex-Nazi interests. Hitler's Doubles includes much more information than its enigmatic title implies. This document is presented as a series of news articles in book form. Some material is repeated or revised. Many photos date back to pre-war times. (Italic text depicts a what-if scenario analysis by the author.) Mind of Ali Tara (2019), by the same author is a quick view of Hitler's Doubles with a chronology of shadow governments and crisis actors.

**Voodoo Histories** David Aaronovitch, 2010-02-04 Meticulous in its research, forensic in its reasoning, robust in its argument, and often hilarious in its debunking... a highly entertaining rumble with the century's major conspiracy theorists and their theories. --John Lahr, National Book Critics Circle Award-winning author of *Tennessee Williams* From an award-winning journalist, a history so funny, so true, so scary, it's bound to be called a conspiracy. Our age is obsessed by the idea

of conspiracy. We see it everywhere- from Pearl Harbor to 9/11, from the assassination of Kennedy to the death of Diana. In this age of terrorism we live in, the role of conspiracy is a serious one, one that can fuel radical or fringe elements to violence. For David Aaronovitch, there came a time when he started to see a pattern among these inflammatory theories. these theories used similarly murky methods with which to insinuate their claims: they linked themselves to the supposed conspiracies of the past (it happened then so it can happen now); they carefully manipulated their evidence to hide its holes; they relied on the authority of dubious academic sources. Most important, they elevated their believers to membership of an elite- a group of people able to see beyond lies to a higher reality. But why believe something that entails stretching the bounds of probability so far? In this entertaining and enlightening book, he examines why people believe conspiracy theories, and makes an argument for a true skepticism: one based on a thorough knowledge of history and a strong dose of common sense.

**American Conspiracies** Jesse Ventura, Dick Russell, 2010-03-08 Jesse Ventura takes a systematic look at the gap between what the American government knows and what it reveals to the American people. According to this former Navy SEAL, former pro wrestler, and former Minnesota governor, the media is complicit in these acts of deception. For too long, the mainstream press has refused to consider alternate possibilities and to ask the tough questions. In Ventura's eyes, the murder of Abraham Lincoln and the assassinations of the Kennedys and Martin Luther King, all need to be re-examined. Was the CIA involved in Watergate? Did the Republican Party set out to steal two elections on behalf of George W. Bush? Has all the evidence been presented about the 9/11 attacks? And finally, is the collapse of today's financial order and the bailout plan by the Federal Reserve the widest-reaching conspiracy ever perpetrated?--From publisher description.

*The Synchronicity Key* David Wilcock, 2014-07-29 Unlock the key to a universal life-force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream*. *The Source Field Investigations* was a New York Times, Wall Street Journal, and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random "synchronicity," we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.
