

The Queen Of Hearts Book

Wilkie Collins

The Queen of Hearts Kimmerly Martin,2019-02-05 A powerful debut novel, praised by The New York Times, Bustle, and Hypable, that pulses with humor and empathy as it explores the heart's capacity for forgiveness.... Zadie Anson and Emma Colley have been best friends since their early twenties, when they first began navigating serious romantic relationships amid the intensity of medical school. Now they're happily married wives and mothers with successful careers--Zadie as a pediatric cardiologist and Emma as a trauma surgeon. Their lives in Charlotte, North Carolina, are chaotic but fulfilling, until the return of a former colleague unearths a secret one of them has been harboring for years. As chief resident, Nick Xenokostas was the center of Zadie's life--both professionally and personally--throughout a tragic chain of events during her third year of medical school that she has long since put behind her. Nick's unexpected reappearance at a time of new professional crisis shocks both women into a deeper look at the difficult choices they made at the beginning of their careers. As it becomes evident that Emma must have known more than she revealed about circumstances that nearly derailed both their lives, Zadie starts to question everything she thought she knew about her closest friend.

Queen of Hearts Colleen Oakes,2024-04-16 The first novel in Colleen Oakes's epic, imaginative and twisted series, perfect for fans of *Dorothy Must Die* and *Heartless*, tackles the origin of one of the most infamous villains—the Queen of Hearts. This is not the story of the Wonderland we know. Alice has not fallen down a rabbit hole. This is a Wonderland where beneath each smile lies a secret, each tart comes with a demand, and only prisoners tell the truth. Dinah is the princess who will one day reign over Wonderland. She has not yet seen the dark depths of her kingdom; she longs only for her father's approval and a future with the boy she loves. But when a betrayal breaks her heart and threatens her throne, she is launched into Wonderland's dangerous political game. Dinah must stay one step ahead of her cunning enemies or she'll lose not just the crown but her head. Don't miss *Blood of Wonderland*, the must-read sequel to Dinah's story!
