*The Way Under the Way* Mark Nepo, 2016-11-01 Nothing compares to the sensation of being alive in the company of another. It is God breathing on the embers of our soul. —Mark Nepo, "The Way Under the Way" When we shift from trying to be special to seeking what is special in everything, we discover "the way under the way"—the timeless terrain of that mysterious force which animates and unites us. *The Way Under the Way* brings you a sweeping three-part collection of 217 of Mark Nepo's original poems and essays to open the heart, awaken insight, and support you on each step of your unique journey through life. The first two works, *Suite for the Living* and *Inhabiting Wonder* (originally published by Bread for the Journey Intl.) bear witness to the messy and magnificent adventure of being human. Evolving these further, Mark Nepo integrates nearly 60 new poems into the thematic reach of the material. *The Way Under the Way* presents a wholly new work, centered on "the place of true meeting that is always near" and the natural rhythms of opening and closing that can become the art that keeps us vital. "All we ever need is right where we are, if we can open the ordinary treasure that is always before us," writes Mark Nepo. *The Way Under the Way* is an invitation to "ignite your own exploration of the nature and workings of the inner life."

**The Fifth Season** Mark Nepo, 2025-07-15 Now in his seventies, poet and philosopher Mark Nepo explores the rhythms

of aging in the second half of life. As the years go by, the question for each of us becomes more and more real: What does it mean to age? Despite the limitations that come as the body wears down, Mark Nepo believes that there are many gifts to inhabit by aging. So much is gained and so much is shed along the way. As Mark began to reflect on the gifts and challenges of this process we're all immersed in, he realized, more than ever, that we are called to live a creative life as we age. We are led to what the Chinese call "the fifth season"—that moment in late summer when the glare of the sun fades so that we can see clearly the true colors around us. The Fifth Season offers Mark's wise and gentle insights on growing older, helping readers identify the second half of life as a turning point, a time of integration and transformation that guides us in making sense of our experiences. All seasons lead to this season; all experiences lead to this understanding of experience. In truth, Mark writes, we each must face living and dying from the inside of the one life we are given. But we can share the journey, which is the purpose of this book, to be a companion in your effort to enter the fifth season of your life.
