Entertainment Weekly Inc.

Vitaphone Films Roy Liebman, 2015-05-20 The headline of the Variety extra on October 27, 1926, proclaimed Vitaphone1 Thrills L.A.! Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or that have been so carefully restored, preserve much of the show business history that might otherwise have been lost with the industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926-1940) are listed first, followed by the West Coast productions (1927-1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.

American Silent Horror, Science Fiction and Fantasy Feature Films, 1913-1929 John T. Soister, Henry Nicolella, Steve Joyce, 2014-01-10 During the Silent Era, when most films dealt with dramatic or comedic takes on the boy meets girl, boy loses girl theme, other motion pictures dared to tackle such topics as rejuvenation, revivication, mesmerism, the supernatural and the grotesque. A Daughter of the Gods (1916), The Phantom of the Opera (1925), The Magician (1926) and Seven Footprints to Satan (1929) were among the unusual and startling films containing story elements that went far beyond the realm of highly unlikely. Using surviving documentation and their combined expertise, the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror, science fiction and fantasy in the years from 1913 through 1929.
