Things We Left Behind Lucy Score, 2024-11-05 This stunning special edition features a ribbon bookmark, holographic foil, designed endpapers, a printed edge design, and a naked hardcase. #1 New York Times bestselling author Lucy Score returns to spicy-sweet Knockemout, Virginia with Lucian and Sloane's story. There was only one woman who could set me free. But I would rather set myself on fire than ask Sloane Walton for anything. Lucian Rollins is a lean, mean vengeance-seeking mogul. On a quest to erase his abusive father's mark on the family name, he spends every waking minute pulling strings and building his empire. The more money and power he gains, the safer he feels. Except when it comes to one feisty small-town librarian... Bonded by an old, dark secret from the past and their current mutual disdain, Sloane Walton trusts Lucian about as far as she can throw his designer-suited body. When bickering accidentally turns to foreplay, the flames are fanned, and it's impossible to put them out again. But with Sloane more than ready to start a family and Lucian refusing to even consider the idea of marriage and kids, these enemies-to-lovers are stuck at an impasse. Until Lucian learns the hard way that leaving Sloane is impossible--the very least he can do is to keep her safe.

The Things We Left Behind Debra Allen Alford, 2018-02-14 While this book is being published as fiction, the very essence of the story is a true one. The gentleman this book is actually about felt that his sins were far too horrible to be forgiven. While the names and certain events have been altered in order to avoid sharing any inaccurate information, therefore making it fiction, he did, in fact, grow up in a small rural community in the south. The innocence of that idyllic childhood was shattered due to the draft during the Vietnam War. Then he struggled to rebuild his life from that point forward. However, he found that there was no returning to the things he left behind. The innocence of youth was forever lost. While he survived physically, although narrowly, any semblance of normal life was gone. From that point forward, he dealt with overwhelming guilt. Guilt for going and leaving loved ones behind, some he would never see again. Guilt for coming home and leaving his men behind, many whom would never make it home. Guilt for things he had to do during the terror that was an integral part of war. He tried to seek relief by rebuilding and helping as much as he could. He was, however, overwhelmed with the fear that nothing would ever be good enough to bring about forgiveness for his seemingly unthinkable sins. Like many who have been through such traumas, he suffered silently, and this took its toll. He was fortunate enough to have had many caring people who tried to help through the years. In the end, he was blessed to finally find the answer

through one seemingly simple question that allowed him to find the peace he so desperately sought. His dying wish was that his story might help others.

Summary of Things We Left Behind by Lucy Score thomas francis,2023-11-30 Things We Left Behind by Lucy Score Things We Left Behind by Lucy Score is the final book in the Knockemout series, a compelling contemporary romance novel with elements of suspense and drama. However, his calm is disrupted by Sloane Walton, a feisty small-town librarian who challenges his worldviews and emotions. Sloane Walton, on the other hand, is driven by a quest to carry on her father's pursuit of justice. She is determined to uncover the truth about what Lucian's father did to her family. All the Things We Left Behind Jamshid Farook,2025-08-05 All the Things We Left Behind is a heartbreaking and deeply human love story about two people-Ann and Jamie-drawn together by fate but separated by timing, fear, and the choices we don't speak aloud. Told across twenty emotionally charged chapters, this novel captures the fragile beauty of falling in love, and the quiet devastation of letting go. It's not about perfect love-it's about real love. The kind that stays with you long after it's gone. If you've ever had to walk away from someone you loved... If you've ever wondered what could've been... This book is for you.
