The Modern Day Knight Rocky Adams, 2007-12 Knights of swords and armor may be gone, but their ideals live on...It takes more than noble blood to be a knight in the world of today and if a man seeks to become one, he must strive for something more. In *The Modern Day Knight*, Adams believes that through the example of these chivalric beings we can learn a great deal about what we can become. Honorable virtues and ethics should be taught religiously, whether one exercises them in public or in private. *The Modern Day Knight* deals specifically with this matter, particularly when it comes to how a knight must treat his lady. In this short but informative guide, *The Modern Day Knight* shares with its reader valuable knowledge about relationships that is to be understood by all. Author Biography Author Rocky Adams served a two year mission for his church in San Jose, California where he received much of his inspiration. He attends church regularly, and has held many callings from Ward Mission Leader to a Primary teacher. He is an avid learner and practitioner of both eastern martial arts and the European long sword. Adams hopes to one day open a Modern Day Knight Society training young men and women in both arts while learning a Code of morals as well. Until that happens, he will pursue his true passion writing. He and his family currently reside in the Oklahoma City, Oklahoma area. Modern Living Lifestyle Historical

Daddy's Little Girl and Mommy's Little Boy Zester Hatfield, 2005-05-04 Mr. Hatfield with all of his years of experience in marriage, parenting, family, missions and in the Church pulls no punches in calling Christ's Bride to return to His Truth (God's revealed Law-Word) regarding discipleship (men and women of faith and grace) in Manhood and

Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love and marriage! He is calling all believers, especially men, to confession and repentance and to receive, understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century! Not for the weak-kneed, weak-minded or humanistically influenced, this is for Christ's Bride as we prepare for and anticipate His return! These applications of God's revealed Law-Word and His uncommon common sense in the lives of America's postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children, is exciting and challenging to the point of precedent setting magnitudes. The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture. Based on interviews with more than 1000 adults nationwide, the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally, physically, spiritually, intellectually or physically. Fewer than one out of every twenty adults believes that America's youngsters are receiving above average preparation in all five of those areas of life. Americans Agree: Kids Are Not Being Prepared for Life, The Barna Group-October 26, 2004 The couples, who discover the answers to the moral morass of our postmodern Christian culture, are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future! Sadly, the statistics of broken homes, divorces, adultery, domestic violence, drugs and promiscuity - to mention only some of the ills of our culture - are almost equally divided between Christian families and non-Christian families. This is unacceptable as a comparison and must change. Consequently, fathers and mothers of faith and grace are those - who are and or who will experience - God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love, sex and romance in marriage. Daddy's Little Girl and Mommy's Little Boy brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters.

A Knight in Shining Armor Todd Civin,2016-08-15 A Knight in Shining Armor is the second in the Where There's a Wheel, There's a Way Book series about and featuring the Kyle Pease Foundation. A Knight in Shining Armor tells the inspiring story of KPF athlete Justin Knight, a long time member of the organization, who has competed in dozens of races, marathons and triathlons. Justin has even achieved Ironman status despite being born with Cerebral Palsy. Knight, who goes by the nickname of J-dude is known for his enthusiasm and his infectious personality. A Knight in Shining Armor is a colorful, well illustrated children's book that tells the inspirational story of the life of this triathlete and Ironman. Written by Todd Civin and illustrated by Jason Boucher, the book is told with a medieval style featuring J-dude as Sir Justin Knight. Like J-dude, Kyle Pease the founder of The Kyle Pease Foundation was born with cerebral palsy and despite spending his life seated in a wheelchair with limited use of his arms, Kyle lives a life filled with much enjoyment and an endless string of personal victories. His children's book, Where There's a Wheel, There's a Way shares Kyle's story taking us from elementary school student, to high school basketball team manager to competitive athlete and even to Ironman and founder of a non-profit organization, The Kyle Pease Foundation. With the help of his older brother, Brent, Kyle competes in athletic competitions and has twice completed the 140.6 mile Ironman competition. The Political Christopher Nolan Jesse Russell, 2023-05-26 Many of Christopher Nolan's films ironically both embrace the tradition of surrealist and Avant-Garde filmmaking while simultaneously providing (at least tacit) support for the Anglo-American liberal world order. For Nolan, this world order, which relies on global capitalism, technocratic supremacy, and ultimate control of world cultural production, is a much greater alternative to either left- or right-wing challenges to this liberalism. In Nolan's films, this liberalism must occasionally use violence and violate some of its core principals of privacy and freedom to maintain its dominance. Nonetheless, Anglo-American liberalism, in Nolan's vision provides a world that is freer, more humane, and more prosperous than other anarchic, Marxist, or fascist alternatives. Finally, (and perhaps most importantly for Nolan) the security, wealth, and freedom of this liberal world order enables the world of art and film to blossom, and the opportunity for Christopher Nolan to create (post-) ironic dream worlds or, in the words of Jean Baudrillard, a "hyperreality".
