Neale Donald Walsch

Conversations with God Neale Donald Walsch,1996 Records the results of the author's conversation with God, telling how he has been enabled to take dictation directly from the Source, gaining answers to questions about life and love, purpose and function, people and relationships, good and evil, guilt and sin, and other concerns of mankind.

The New Revelations Neale Donald Walsch,2002-09-30 The human race has reached a Time of Choosing. Our options are being placed before us by the tide of events -- and by those who are creating them. We can either move forward, building together at last a new world of peace and harmony based on new beliefs about God and Life, or move backward, separately and continuously reconstructing the old world of conflict and discord. The New Revelations provides us with the tools to move forward, to pull ourselves out of despair, lifting the whole human race to a new expression of its grandest vision. In this book, which offers possible and powerful answers to the questions facing the world, bestselling author Neale Donald Walsch urges us to open our hearts and minds to what may be one of the most important spiritual statements of our time. A conversation with God that began as a simple plea from one human being to the God of his understanding, The New Revelations is a life-altering book, given to us when we need it most.

Conversations with God Matthew Robert Payne,2016-09 Imagine if you could hear God speak. Imagine if you could sit down and speak to God about a wide range of subjects that are helpful to the Christian faith and have him respond to you. Matthew Robert Payne did exactly that over the course of a month. He sat down with the subjects covered in his previous book, Jesus Speaking Today, and asked God to open up about them. What follows is a number of intimate conversations with God. God shares his heart with Matthew in a way that is raw, honest and candid. Peek inside the pages to see how God speaks to his friend who is interested in hearing his heart. Listen in on these conversations as God gets personal and emotional about the things that matter to him and that should ultimately matter to humanity. It is Matthew's hope that this book will encourage you to learn to hear from God for yourself and encourage you to journal what God says to you each day.

Conversations with God Neale Donald Walsch, 1999 When Neale Donald Walsch was experiencing a low point in his life, he decided to write a letter to God. What he did not expect was a response and the result was Conversations with God Book 1. In Book 2, the dialogue expands to deal with the more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world. This incredible series contains answers that will change you, your life, and the way you view other beings.

Conversations with God Neale Donald Walsch, 1996-08 ...this paradigm shift will take great wisdom, great courage, and massive determination. For fear will strike at the heart of these concepts, and call them false. Fear will eat at the core of these magnificent truths, and render them hollow.... Yet you will not have, cannot produce, the society of which you have always dreamed unless and until you see with wisdom and clarity the ultimate truth: that what you do to others, you do to yourself; what you fail to do for others, you fail to do for yourself; that the pain of others is your pain, and the joy of others your joy, that when you disclaim any part of it, you disclaim a part of yourself. Now is the time to reclaim yourself. Now is the time to see yourself again as Who You Really Are, and thus, render yourself visible again. For when you, and your true relationship with God become visible, then We are indivisible. And nothing will ever divide Us again.

Meditations from Conversations With God Neale Walsch, 2025-09-12 Suppose you could make God part of your everyday life. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them--directly--through Walsch's pen. Many thousands of those readers have had questions for him--questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In Questions and Answers on Conversations with God, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters; and the result is a book that is profoundly enlightening and inspiring.
