

David Rosenfelt S In Order

New York (N.Y.)

The Twelve Dogs of Christmas David Rosenfelt, 2016 Defense lawyer Andy Carpenter usually tries to avoid taking on new cases at all costs. But this time, he's happy eager, even to take the case that's just come his way. Andy's long-time friend Martha Pups Boyer takes in stray puppies that the local dog rescue center can't handle, raises them until they're old enough to adopt, and then finds good homes for them. Not everyone admires the work Pups does as much as Andy does, however. With Christmas just around the corner, one of Pups's neighbors has just reported Pups to the city for having more than the legal number of pets in her home under the local zoning laws. Andy happily takes Pups's case, and he feels confident in a positive outcome. Who could punish someone for rescuing puppies, after all, especially at Christmastime? But things get a lot more complicated when Randy Hennessey, the neighbor who registered the complaint against Pups, turns up dead. Pups had loudly and publicly threatened Hennessey after he filed his complaint, and Pups was also the one to find his body. All the evidence seems to point to Pups as the killer, and suddenly Andy has a murder case on his hands. He doesn't believe Pups could be guilty, but as he starts digging deeper into the truth behind Hennessey's murder, Andy may find himself facing a killer more dangerous than he ever imagined. With his trademark wit, larger-than-life characters, and clever plotting, David Rosenfelt delivers another gripping mystery.

A History of Boston's Jewish North Shore Alan S. Pierce, Jewish Historical Society of the North Shore, 2009-05-01 Forced to flee the brutal pogroms of Europe, Jewish immigrants sought refuge in the beauty of Boston's North Shore. Drawing on their artisan skills, many found work in the tanneries of Peabody and the shoe factories of Lynn, while other enterprising Jews established their own businesses in Salem and Beverly- from butcher shops and groceries to newspapers. Alongside fellow members of the Jewish Historical Society of the North Shore, Alan Pierce has carefully assembled a collection of personal histories from generations of Jewish families. Celebrating the rich flavors of Jewish culture, these accounts capture familiar faces, such as renowned athlete Herb Brenner, and recognizable landmarks like the Kernwood Country Club and the Dolphin Yacht Club, innovative establishments open to all regardless of race or religion. With entrepreneurial spirit, a little determination and plenty of faith, the North Shore's storied Jewish communities have etched enduring marks on its streets and in its synagogues.
