Pizza, A Slice of American History Liz Barrett, 2014-09 This book tells the story of how this beloved food became the apple of our collective eye-or, perhaps more precisely, the pepperoni of our pie. Pizza journalist Liz Barrett explores how it is that pizza came to and conquered North America and how it evolved into different forms across the continent. Each chapter investigates a different pie: Chicago's famous deep-dish, New Haven's white clam pie, California's health-conscious varieties, New York's Sicilian and Neapolitan, the various styles that have emerged in the Midwest, and many others. The components of each pie-crust, sauce, spices, and much more-are dissected and celebrated, and recipes from top pizzerias provide readers with the opportunity to make and sample the pies themselves.

Roseville ,2010 Long before white settlers arrived around 1849, the Maidu of Nisenan Indians, as they were sometimes called, were living in the vicinity of today's Roseville. Known for its gently rolling hills and beautiful old oak trees, the area had many new arrivals during the Gold Rush. Many came to try their luck, but some came looking for land, not gold, and so stayed here. By 1864, the first several miles of the Central Pacific Railroad reached Roseville (then known as Grider's), cementing its long-standing rail heritage. In 1909, the citizens voted to incorporate, and the sleepy little town became Placer

County's largest city, with today's population surpassing 105,000. It is uncertain, but many agree Roseville is so called because of an abundance of wild roses in the region.
