Holy Habits Noah Herrin, 2023-09-12 Make an Impact That Echoes into Eternity Many followers of Jesus have plans for family, finances, and career, but very few have a spiritual plan to grow closer to Jesus. We must be intentional in order to hear from God, grow in faith, and form good habits that lead to a meaningful life. Going beyond the surface level, pastor Noah Herrin gives you ten tangible practices that will plunge you into the depths of a real relationship with Jesus. Simple but powerful, these ten small choices will lead to big changes, including ● rising in influence from the ashes of insecurity ● resting where you once were striving ● standing firm in faith when surrounded by struggles ● enjoying community instead of being alone In just minutes a day, you can intentionally develop habits that shift your relationship with Jesus from duty to delight--and run with purpose in a world that wants you to wander.

Welcome to Manhood Noah Herrin, 2025-08-19 The making of a godly man requires hard, deliberate choices over time and reliance upon his relationship with God--it's not for the fainthearted. A boy does not become a man when he turns 18, but when he takes on the character and habits of a man for the good of those around him. Exploring what these godly character traits are, pastor Noah Herrin offers real-world wisdom for 52 key challenges men face on their journey into manhood. Each chapter of this action-packed book calls men higher, addressing one obstacle and providing hands-on biblical solutions, practical next steps, habits to work toward, and truths to believe. Covering core areas of personal, professional, and spiritual life, topics include how to · own mistakes · relate to parents · choose the right mate · use time effectively · humble yourself · manage your money · chase the right goals · engage in community · be a finisher · and much more The world needs not just good men, but godly men. Jesus is our model of manhood, and when men act like Jesus, the world is different.

Love God, Love Yourself Faith Bolde, 2025-02-04 Through my own personal struggles, I had been writing verses on sticky notes adhering them to my bathroom mirror to look at each day. One day I was reading one and I thought, why don't I just write my own devotional? I started with those verses and created a journal entry that related to each one. The process

became therapeutic while I was still dealing with my own insecurities. A wide variety of topics are shared about my experiences with skin issues, body image, comparison, security in relationships, friendships, and trying to control everything when all I could truly do was surrender all those things to God. I am certainly not perfect, and I am not a pastor or seminary student, but I felt the Holy Spirit leading me to author this book. I pray that these verses and journal writings are not only a reminder to me, but to the reader as well.

The Five Holy Habits Rev. Dr. Jon K. Anderson, 2017-01-10 Rev. Anderson wrote this book for his family and friends. It is written to encourage and solidify the thinking and activities of those who are already believers in Jesus Christ. The Five Holy Habits is supported by extensive quotations from God's Word and is directed toward God's family. It is not a How To book or a list of holy disciplines, but an instrument to encourage an introspective look into one's own life as a child of God. It is suitable for placing into the hands of young Christians, or even older Christians who are seeking to discover their calling in life.

Holy Habits: Sharing Resources Andrew Roberts, Neil Johnson, Tom Milton, 2018-10-11 Holy Habits is an initiative to nurture Christian discipleship. It explores Luke's model of church found in Acts 2:42-47, identifies ten habits and encourages the development of a way of life formed by them. These resources, which include an introductory guide, have been developed to help churches explore the habits in a range of contexts and live them out in whole-life, missional discipleship.

Holy Habits April Agnew, 2017-08-22 Habits-everybody has them. We have vices that have developed over time that make up the whole of who we are. From our attitudes to our behaviors, we have developed and conformed to a way of life that we have accepted as that's just me. Though they may be detrimental to our very being and work against the victory and abundance God has promised us through Christ, we rarely work toward breaking our habits. We don't have to settle in this lifestyle we have become accustomed to. If we must have them, why not develop habits that will work for us and not against us? In Holy Habits, April encourages the believer to enlist into God's spiritual army. As you enter the warfare of your faith and the fight of your righteous life, you must activate your weapons of spiritual mass destruction so that you can receive deliverance and healing. There is refuge in God, and you will win this war through Christ as you develop Holy Habits.
