*Hitler's Stormtroopers* Jean-Denis Lepage, 2016-12-19 The Sturm Abteilung der NSDAP (SA, assault battalion of the Nazi party) created in August 1920 were squads of strong arms intended to protect the Nazis meetings, to provoke disturbance, to break up other parties meetings, and to attack and assault political opponents as part of a deliberate campaign of intimidation. After 1925 the name Braunhemden (Brownshirts) was also given to its members because of the colour of their uniforms. Under the leadership of Hitlers close political associate, Ernst Rhm, the SA grew to become a huge and radical paramilitary force. This book answers several questions concerning the SA. How did the SA become a national movement? What was the relationship between Rhm and Hitler? What role did the SA play in providing Hitler with the keys to power? After the seizure of power by the Nazis on January 30, 1933, what was the function of the Brownshirts? Why did the brutal and scandalous Ernst Rhm stand in Hitlers way? What became of the SA after the bloody purge of June 1934, the notorious Night of the Long Knives?

**Music as Multimodal Discourse** Lyndon C. S. Way, Simon McKerrell, 2017-01-26 We communicate multimodally. Everyday communication involves not only words, but gestures, images, videos, sounds and of course, music. Music has traditionally been viewed as a separate object that we can isolate, discuss, perform and listen to. However, much of music's power lies in its use as multimodal communication. It is not just lyrics which lend songs their meaning, but images and musical sounds as well. The music industry, governments and artists have always relied on posters, films and album covers to enhance music's semiotic meaning. *Music as Multimodal Discourse: Semiotics, Power and Protest* considers musical sound as multimodal communication, examining the interacting meaning potential of sonic aspects such as rhythm, instrumentation, pitch, tonality, melody and their interrelationships with text, image and other modes, drawing upon, and extending the conceptual territory of social semiotics. In so doing, this book brings together research from scholars to explore questions around how we communicate through musical discourse, and in the discourses of music. Methods in this collection are drawn from Critical Discourse Analysis, Social Semiotics and Music Studies to expose both the function and semiotic potential of the various modes used in songs and other musical texts. These analyses reveal how each mode works in various contexts from around the world often articulating counter-hegemonic and subversive discourses of identity and belonging.

**Kitty's Salon** Nigel Jones,2023-04-27 There is no book in English about the wartime Berlin 'salon' run by Kitty Schmidt under the secret control of Reinhard Heydrich, one of the architects of the Final Solution Salon Kitty was the most notorious brothel in the decadent Berlin of the Weimar Republic - the city of Cabaret. But after the Nazis took power, it became something more dangerous: a spying centre with every room wired for sound, staffed by women agents specially selected by the SS to coax secrets from their VIP clients. Masterminded by Reinhard Heydrich, the spymaster whom Hitler himself called 'the man with the iron heart', the exclusive establishment turned listening post was patronised by the Nazi leaders themselves, not knowing that hidden ears were listening. One of the last untold stories of the Second World War, Salon Kitty's sensational true history is now revealed by historians Nigel Jones, Urs Brunner and Dr Julia Schrammel. After years of painstaking research and investigation, the story they tell sheds new light on Nazi methods of control and coercion, and the way that they used and abused sex for their own perverse purposes.

**The Madam and the Spymaster** Urs Brunner,Nigel Jones,Julia Schrammel,2023-07-04 This extraordinary story of a high-class Berlin brothel—taken over by the Nazi secret service—is one of the last untold tales of World War II. There is no book in English about the wartime Berlin 'salon' run by Kitty Schmidt under the secret control of Reinhard Heydrich, one of the architects of the Final Solution. Salon Kitty was the most notorious brothel in the decadent Berlin of the Weimar Republic - the city of Cabaret. But after the Nazis took power, it became something more dangerous: a spying center with every room wired for sound, staffed by female agents specially selected by the SS to coax secrets from their VIP clients. Masterminded by Reinhard Heydrich, the spymaster whom Hitler himself called the man with the iron heart, the exclusive establishment turned listening post was patronized by the Nazi leaders themselves, not knowing that hidden ears were listening. The Madam and the Spymaster reveals the sensational true story of this forgotten part of espionage history. The deep research undertaken by Nigel Jones, Urs Brunner and Dr Julia Schrammel sheds new light on Nazi methods of control and coercion, and the way sex was abused for their own perverse purposes.

*Baldur von Schirach* Oliver Rathkolb,2022-11-04 Though three of his four grandparents were from America and the first language he learned at home was English, Baldur von Schirach became one of the Third Reich's most influential individuals. He joined the Nazi Party as early as 1925 at the age of eighteen and three years later became a member of its National Leadership. He also married Henriette, the daughter of Hitler's personal photographer, Heinrich Hoffmann. Von Schirach continued to rise through the ranks of the Nazi Party, reaching the rank of SA-Gruppenführer. It was as the leader of the Hitler Youth organization, however, for which von Schirach is best remembered, becoming Reichsführer of the Hitler Youth on 16 June 1932, and the following year was given responsibility for all youth organizations in Germany. He also became a member of the Reichstag as a representative of the Party. Despite his influential position, he was called up for military service and served in the French campaign of 1940. Following this he became Reich Governor and the Nazi's Gauleiter

Reichsstatthalter in Vienna – powerful positions he retained until the final collapse of the Third Reich in May 1945. His responsibilities as Gauleiter and Reichsstatthalter included overseeing the deportation of Vienna's Jews to ghettos and concentration camps in occupied Poland. Though a confirmed anti-Semite, later in the war he pleaded for a moderate treatment of the eastern European peoples and criticized the conditions in which Jews were being deported. This caused a breach with Hitler and the Nazi leadership, though he managed to retain his position in Vienna. Following his capture by US troops, von Schirach was among the major war criminals put on trial at Nuremburg. Found guilty of crimes against humanity on 1 October 1946, von Schirach was sentenced to twenty years imprisonment. He served out his time in the company of Rudolf Hess and Albert Speer in Spandau prison. He admitted his crimes and his role in the deportations and in his autobiography, *I Believed in Hitler*, he explained how he was drawn into the world of the Nazis. He also said that his aim was to destroy any belief in the rebirth of Nazism as well as blaming himself for not having done more to prevent the concentration camps. This detailed and balanced analysis of Baldur von Schirach reveals the true and ambivalent nature of a complex and fascinating individual who played a key role in the events leading up to, and during, the Second World War.

**The Killing Game** Mark Bourrie,2016-03-08 On January 21, 2015, a pro-ISIS Twitter account reported that John Maguire, a 23-year-old university drop-out from the Ottawa Valley town of Kemptville, had been killed fighting Kurds in the Syrian city of Kobani. A few weeks before, Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq. He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada. Why would young people choose to fight in other people's wars, especially one as bloody and cruel as this one? Why has ISIS become so good at attracting foreign fighters? This book examines the lure of this radical Islamist movement: its religious beliefs, sophisticated propaganda, and vast social media networks. ISIS is now a go-to cause for alienated young people in the Islamic World and the West. Does it offer answers to troubled young people? Are ISIS's crimes -- slavery, murder, rape, repression, and the destruction of heritage sites -- an attraction in and of themselves? What do we do about the people who take up ISIS's cause but stay in their home country? What do we do with the ISIS recruits who come home? *The Killing Game* examines what draws young men and women to join violent social/political movements. It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts, as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized. From the irresistible lure of Marxist-Leninism of the 1930s through the '60s and '70s, and including the appeal of Nazism to young Germans in the 1930s, this book also investigates what it is that draws young people to join and fight for causes as different

as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s, but with an emphasis on the attraction of ISIS and radical Islam in our own time.

**Laughter Wasn't Rationed** Dorothea von Schwanenflügel Lawson,2000 Do you know anyone who experienced two World Wars in Germany and survived to talk about it? You do now! Welcome to *Laughter Wasn't Rationed* and the historical war memoir of Dorothea von Schwanenflügel Lawson. She will take you from the Weimar Republic to the Berlin Wall, and give you a first-hand account of her life that is full of historical facts - the perspective of an ordinary citizen not found in history books. Vintage photos accompany her journey. As a native German born during World War I, Dorothea takes us from her relatively carefree youth through the much-staged rise and fall of Hitler and his Nazi Party, World War II and the devastating postwar years, up to the beginnings of the Cold War. Through her, you will experience the air raids and intense bombing of Berlin, the ever-present hunger, the Soviet invasion and other day-to-day struggles. You will not only see the grim realities of life, but are treated to many jokes about the Third Reich that were once punishable by imprisonment or by death. You will also enjoy a small dose of German culture along the way, as well as her conversational style. Unfortunately generations die out and the experiences of real people are lost forever. Dorothea's insight is invaluable, and has been recognized by several universities that are using her book and knowledge of Europe in their history courses.--Publisher description.

In the Shadow of the Holocaust James F. Tent,2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society, even as their Jewish relatives were disappearing into the East. It draws on extensive interviews with twenty survivors, many of whom were teenagers when Hitler came to power, to show how half-Jews coped with conditions on a day-to-day basis, and how the legacy of the hatred they suffered still lingers in their minds.
