Am I Ready? Feyikemi Oyewole,2018-06-28 These days, having a marriage that lasts a lifetime is perceived as a tall order because many people think that till death do us part is an impossibility. Many believe that couples who have managed to make their marriages last till death have done so only by tolerating each other. You can actually have a lifetime of marital bliss, provided you do the needful before you set out on the marital journey. Truth be told, you cannot get to know your fiancé or fiancée completely before you marry them, but there are some fundamental principles every man or woman who aspires to attain marital bliss must possess or must look out for in their partner. Indeed, nothing good comes easy. Your business or your career is growing because you have refused to give up on it, and you you have given it all it takes even when you should have given up. You have succeeded because you have changed the process that has not been working to that which works. Therefore, a marriage of a lifetime will not come easy, even after establishing the fundamental principles for choosing your partner; it will still require hard work, understanding, mutual respect, and much more for you to enjoy marital bliss. The overall intent of this book, Am I Ready? is to guide you, on how to choose the right partner, especially on the positive and negative characteristics to watch out for in your partner in making your decisions and approaching marriage the right way. Ultimately, you will learn about the qualities of love you need to possess and develop to thrive in a marriage.

Transforming Relationships Through Belief Work Nicole Biondich,Mayline Robertson,2022-10-10 Your life is a rich

tapestry woven from the threads of relationships that your soul has been drawn to experience in order to learn many valuable lessons. Relationships are how you first create a sense of your own identity and how you heal wounded parts of yourself. Each relationship you encounter is a mirror of your strengths, your fears, and your weaknesses. This workbook is designed to take you on a journey of getting to know yourself better through the relationships that you have attracted. The work you do here will further your understanding of the subconscious limiting beliefs you carry about relationships. Through the belief work tools in this book, you can create more connection, more harmony, and weave more unconditional love into the tapestry of all the relationships that are in your life.

I Am Not Ready to Love You Beverley Godfrey, 2007-11 After a grueling day in the emergency room, Dr. Lynn Taylor is just about ready to go home when she is thrust into a critical care situation. The ER is a flurry of activity-the result of a terrible rush-hour accident. As Dr. Taylor triages the patients, she also treats the elderly Mrs. Sarah Davidson, who's been brought to the ER by her adult children. Mrs. Davidson's son, Detective Thom Davidson, is a single man who suddenly develops a strong liking for his mother's doctor. Lynn has given up on having a meaningful love life. With Thom's coaxing, Lynn enters into a relationship with him that catapults her into a rollercoaster of deep desires and a longing for passionate love. But love isn't easy, as Lynn knows, and things are only complicated when she discovers that Thom is still being pursued by a former lover. Unable to handle the pain of Thom's past relationship, Lynn volunteers as a doctor on a reservation in another state and soon meets another man. Now, faced with an uncertain future with Thom, Lynn must make a choice-and come to terms with her painful past.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is a masterful and gripping novel that will keep you speculating until the very end.
