## Micah Perks

**Songs that Need to be Written** Mathew "Slim" Cahill,2011-06 Are you an aspiring songwriter? Can you write beautiful melodies but don't know anything about lyrics? If you are looking for the words to melt your loved one's heart or make a bad day brighter, this book is for you. *Songs That Need to be Written* is a collection of one man's heartache and hopes. Inside, you'll find ready-made lyrics laden with love. Songs like 'Don't Go Bad on Me' and 'Need Me to Burn' leap off the page and yearn for a melody. Inspire a tune with this ensemble of 124 compelling songs that are sure to inspire any artist. Use your creative license to turn these words into the music that makes the world go round. And write the *Songs That Need to be Written*. Mathew 'Slim' Cahill received his talent from his grandmother, Leah Brooks. Leah has since passed, but Mathew remembers her through the letters and poems they shared for years. With the recent passing of his wife, Mathew hopes his heartfelt words grow into songs that captivate many

*How to Create the Perfect Life* Frank Canace,2020-11-24 What is the perfect life? For some it's financial security while others crave the ideal relationship or physical fitness. However you define the perfect life, there's a good chance that you haven't achieved it yet. Why are some people able to achieve all their dreams while others linger in mediocrity? Frank Canace examines this question and provides answers in the form of specific skills which will help you create your perfect life. Rooted in the law of attraction and the power of positive thinking, Frank's philosophy is broken down into forty chapters that are quickly and easily read and provide daily lessons that can be immediately implemented into anyone's life.

*Pagan Time* Micah Perks,2012-06-01 With little more than a run-down Jeep and their newborn baby in tow, author Micah Perks' parents set out in 1963 to build a school and a utopian community in the mountains. The school would become known as a place to send teens with drug addictions and emotional problems, children with whom Micah and her sister would grow up. This complex memoir mixes a moving celebration of the utopian spirit and its desire for community and freedom with a lacerating critique of the consequences of those desires — especially for the children involved. How could the campaign for a perfect home and family create such confusion and destruction? The '60s, for many, became a laboratory of hope and chaos, as young idealists tested the limits of possibility. Micah Perks has cast her unflinching and precise eye on her own history and has illuminated not only those years of her childhood, but a wide-open moment that marked our culture for all time.

**Multiple Choice** Claire Cook,2016-06-29 A More Magazine Don't Miss pick by the New York Times bestselling author of

Must Love Dogs. Her quirky voice and sense of humor are as strong as ever.—The Orlando Sentinel March Monroe and her daughter Olivia are going to college. March knows that Olivia is going, naturally, since she and her husband have just made their first exorbitant tuition payment. But Olivia doesn't exactly know the arrangement . . . yet. Imagine Olivia's surprise when one day she shows up for training at a local radio station and finds out that one of the other interns is . . . her mother. very funny...with plenty of giggles.—The Hartford Courant "Cook has a gift for telling an entertaining and funny story that is light enough for a beach read, yet weighty enough to get under your skin and into your heart. Her characters are quirky and inconsistent, good-hearted folks who make mistakes and have regrets, but none of the damage is lasting. Love and forgiveness beat out hate and revenge." —Patriot Ledger "Cook's ability to make families foibles ring true -- and funny -- ensures a delightful read."—Library Journal "Claire Cook infuses her novels with that sassy kind of off-beat humor that makes you giggle, shake your head, and then keep reading. And isn't that what you want a beach book to do?" —Florida Today "Cook's characters are delightful and quirky, and the storyline is fast paced and lively with just the right touch of humor and romance." —Fresh Fiction "Nobody does the easy-breezy beach read with a lighter hand than Claire Cook." —Hartford Courant

**EMDR and The Art of Psychotherapy With Children** Carolyn Settle,Robbie Adler-Tapia,2008-06-16 ...[This book contains] invaluable material for the child therapist with varied theoretical backgrounds to more confidently apply EMDR to children. -- Frances Klaff, for Journal of EMDR Practice and Research, Volume 3, Number 3, 2009 In this book the authors present an overview of how therapists can get started in conceptualizing psychotherapy with Eye Movement Desensitization and Reprocessing (EMDR) methodology through Adaptive Information Processing (AIP) theory. The focus of the book is to teach therapists to effectively use the entire EMDR protocol with young children. The first chapter provides a comprehensive overview of how to get started with EMDR after completing basic training. The book continues with chapters that detail the basic skills in using EMDR with children and then transitions to more advanced skills in using EMDR with children with specific diagnosis and presenting issues. They follow with a chapter summarizing the published evidence to date supporting the practice of EMDR with children. Data is then incorporated into a chapter summarizing their research on EMDR with young children in order to provide evidence of therapists' ability to adhere to the EMDR protocol with children, and to document their research findings about training therapists to use EMDR with children. Finally, they conclude the book with goals for the future of EMDR with children while encouraging therapists to consider conducting research in order to compel the practice of EMDR with children into the mainstream of child psychotherapy. It is a major task of the book to inspire therapists to begin thinking about conducting research and how important research is to therapists in order to validate and advance the practice of psychotherapy. In the end, the most significant goal of this book is to provide best practice for

children who are in need of expert psychotherapy in order to change the trajectory of their lives. The hope is to provide guidance and support to therapists in order to launch them in their practice of EMDR. This is the art of treating children with EMDR.
