**Inside Delta Force** Eric Haney, 2005-08-30 Now the inspiration for the CBS Television drama, *The Unit*. Delta Force. They are the U.S. Army's most elite top-secret strike force. They dominate the modern battlefield, but you won't hear about their heroics on CNN. No headlines can reveal their top-secret missions, and no book has ever taken readers inside—until now. Here, a founding member of Delta Force takes us behind the veil of secrecy and into the action to reveal the never-before-told story of 1st Special Forces Operational Detachment-D (Delta Force). He is a master of espionage, trained to take on hijackers, terrorists, hostage takers, and enemy armies. He can deploy by parachute or arrive by commercial aircraft. Survive alone in hostile cities. Speak foreign languages fluently. Strike at enemy targets with stunning swiftness and extraordinary teamwork. He is the ultimate modern warrior: the Delta Force Operator. In this dramatic behind-the-scenes chronicle, Eric Haney, one of the founding members of Delta Force, takes us inside this legendary counterterrorist unit. Here, for the first time, are details of the grueling selection process—designed to break the strongest of men—that singles out the best of the best: the Delta Force Operator. With heart-stopping immediacy, Haney tells what it's really like to enter a hostage-held airplane. And from his days in Beirut, Haney tells an unforgettable tale of bodyguards and bombs, of a day-to-day life of madness and beauty, and of how he and a teammate are called on to kill two gunmen targeting U.S. Marines at the Beirut airport. As part of the team sent to rescue American hostages in Tehran, Haney offers a first-person description of that failed mission that is a chilling, compelling account of a bold maneuver undone by chance—and a few fatal mistakes. From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan and leading the way onto the island of Grenada, Eric Haney captures the daring and discipline that distinguish the men of Delta Force. *Inside Delta Force* brings honor to these singular men while it puts us in the middle of action that is sudden, frightening, and nonstop around the world.

Summary of Eric Haney's Inside Delta Force Everest Media, 2022-06-15T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The C-130 transport plane was about to jump. I looked at the Air

Force loadmaster as he spoke into his microphone and watched for the red jump light to come on. Then, with a whoosh, the doors were opened and ready. #2 I checked to make sure my rucksack was securely tied to my upwind leg. I took a firm hold of the door frame with my right hand and ran my left hand down the other edge of the door, making sure there was no sharp edge that might cut a static line. I kicked the side locks of the jump platform and made sure it was secure. #3 I looked out the plane and back down at the descending jumpers to make sure no one was hung up on the plane and being dragged to their death. I checked the direction of smoke on the drop zone and then let the parachute fly so that I could also gauge the direction of the wind. #4 I was told to meet with the sergeant major of the battalion, who was a friend of Morrell's. He told me little about the unit, but told me that it was a chance to be a charter member of a unit dedicated to fighting international terrorism.
