Blood Strength Loyalty FRYE, 2015-09-14 The book is a story about two brothers, Kelvin "Kels" Johnson, Jr., and Malik "Lil Ghadi" Johnson. Each of them had eager desires to follow in their father's legacy for success and power. They wanted to finish the goal their father, Kelvin "Ghadi" Johnson, Sr., started before his incarceration, as well as try to achieve the goal of getting out of the game without getting scarred like their father did. Kelvin "Ghadi" Johnson, Sr.'s name ran throughout the streets of the Eastson Neighborhood, but not even his name could stop what his sons were about to face. Murder, mayhem, the betrayal of family and friends, to daily dealings with goons and Jackboots, who would do anything to get position in the drug trade, would soon force them to respect the rules of the game. The two boys hook up with one of their father's right-hand men, who started smoking crack once their father went to prison. He introduced them to voodoo and taught them how to take over the Eastson Neighborhood without violence being the first option. But the boys were in for more than what they bargained for. Blood, Strength, and Loyalty are costly. The Johnson Brother's better pay close attention, because The Take Over is real, and coming with a vengeance.

A Roadmap Through Early Recovery E.M. Evoli , 2024-12-26 Hello there! My name is Evoli and I am an alcoholic. This isn't my real name, but in the need to remain anonymous, I chose a name which spelled backwards is "I Love". And today, this is my mantra. I am a former drunk, puke 'n rally, and sometimes blackout bed-wetter. Frequenter of coyote ugly one-night stands who put the Ass in Class! For years I was a blackout binge drinker and at times a daily drug user. Eventually, I became a daily "functional" drinker. It worked (I thought) until it didn't. I'm a professional Interior Designer and business

owner. I now know I don't need alcohol and drugs to cope with life and to have a good time. I've had more fun and created more memories in my sobriety than I ever thought possible. My sober journey has been one of immense and gradual changes in the way I approach life. I found the two most important things; a sense of belonging and purpose. Today, I don't just exist.... I Live! I Love myself! And you can too!
