

# Linda Williams Press Conference

**Melvyn Stokes, Richard Maltby**

**Toward a Disposable Workforce** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Labor, 1993

**Juvenile Delinquency** Clemens Bartollas, 2006 Juvenile Delinquency provides a comprehensive, cutting-edge overview of all aspects of juvenile delinquency with a sociological focus. As Simon Dinitz, Ohio State University, says Clemens Bartollas is genuinely interested in delinquents and in all those who work with and have contact with delinquents. This book reflects Professor Bartollas' abiding intellectual and emotional commitment to understanding and reducing delinquency, as well as ameliorating the personal and social ills that generate the massive delinquency problems not only in the United States but also in nearly all modern industrial nations. Every edition is thoroughly updated to reflect current research. Some exciting new updates in this edition: A new emphasis on the importance of human agency, or the interpretation and meaning that delinquents themselves bring to their social world— as hot area within juvenile delinquency research. Coverage of delinquency across the life course, one of the most promising and exciting perspectives in studying delinquency today, can be found in each chapter. Increased focus on race and delinquency, especially in Chapters 7 and 10, allows for an examination of how racial factors affect the definition, handling, and processing of juvenile delinquents. An updated Chapter 10, Gang Delinquency provides more explanation of female gangs. Increased coverage of international juvenile justice in Chapters 14 and 15.

**A Companion to the War Film** Douglas A. Cunningham, John C. Nelson, 2016-05-31 A Companion to the War Film contains 27 original essays that examine all aspects of the genre, from the traditional war film, to the new global nature of conflicts, and the diverse formats that war stories assume in today's digital culture. Includes new works from experienced and emerging scholars that expand the scope of the genre by applying fresh theoretical approaches and archival resources to the study of the war film Moves beyond the limited confines of "the combat film" to cover home-front films, international and foreign language films, and a range of conflicts and time periods Addresses complex questions of gender, race, forced internment, international terrorism, and war protest in films such as Full Metal Jacket, Good Kill, Grace is Gone, Gran Torino, The Messenger, Snow Falling on Cedars, So Proudly We Hail, Tae Guk Gi: The Brotherhood of War, Tender Comrade, and Zero Dark Thirty Provides a nuanced vision of war film that brings the genre firmly into the 21st Century and points the way

for exciting future scholarship

**Examining Tuskegee** Susan Reverby, 2009 The forty-year Tuskegee Syphilis Study has become the American metaphor for medical racism, government malfeasance, and physician arrogance. The subject of histories, films, rumors, and political slogans, it received an official federal apology f

**Juvenile Delinquency** Frank Schmalleger, Clemens Bartollas, 2008 Schmalleger and Bartollas' *Juvenile Delinquency* is an up-to-date exploration of the causes and consequences of delinquent behavior based on the latest theoretical understandings of delinquency and on the real-life experiences of young people today. The book brings together an author team renowned for quality writing and experienced in the field of delinquency prevention.

**Southern News, Southern Politics** Rob Christensen, 2025-03-04 Newspapers are a tough business, and no one knows that better than Rob Christensen, who was chief political reporter at North Carolina's capital newspaper, the News and Observer, for decades. Here he tells the story of the N&O and how it helped shape modern North Carolina in complicated ways. It's also the story of a family dynasty: four generations of the Daniels family owned and ran the N&O. They not only helped elect governors but also played an influential role in national American politics—family members served as political lieutenants to William Jennings Bryan, Woodrow Wilson, Franklin Roosevelt, and Harry Truman. Christensen takes readers from the N&O's early days at the turn of the twentieth century as the militant voice of white supremacy to its denunciation by segregationist Jesse Helms for "selling out the South" in the 1960s and finally to its current dwindling fortunes. By telling the story of one important regional newspaper, Christensen shows how influence and messaging affect the politics of a state and a region for generations.

**BNA's Employee Relations Weekly**, 1983

**West's South Eastern Reporter**, 2000

**Finding Her Voice** Mary A. Bufwack, Robert K. Oermann, 2003 After its initial publication in 1993, this book quickly became an essential book for country music scholars and fans. Now back in print, with updated material, an additional chapter, and new photos, this volume is poised to reach a whole new generation of country music fans. From country's earliest pioneers to its greatest legends, this book documents the lives of the female artists who have shaped the music for over two hundred years. Through interviews, photos, and primary texts, the authors weave a vast and complex tapestry of personalities and talent. Long overlooked and underappreciated by scholars, female country music artists have always been immensely popular with fans. This book gets to the heart of the special bond female artists have with their audiences. People seeking to understand the context out of which mega-stars such as Shania Twain, Faith Hill, and the Dixie Chicks emerged need look no farther than this book.

**National Union Catalog**, 1982, 1983

**Press Summary - Illinois Information Service** Illinois Information Service,2000-03-16

*Taking on the Big Boys, Or, Why Feminism is Good for Families, Business, and the Nation* Ellen Bravo,2007 Social-journalistic critique (like Barbara Ehrenreich) with solutions on how economic equity for women benefits everyone.

**Scout's Honor** Patrick Boyle,1994 No criminal in American society is more despised than the man who has sex with children. This is his story. He offends us, but it's time to listen. Hardly a week goes by without news of yet another respected adult - Scoutmaster, teacher, priest, or pop singer - accused of child molesting. Into this uproar steps Scout's Honor, which systematically examines the history of sexual abuse in America's most revered youth group and tells us what we should know about men whose desires seem too bizarre to understand. Through a computer analysis of nearly 2000 previously secret files on child-abusing Scout leaders; through interviews with molesters, victims, investigators, and top Scout officials; and by digging through court records and 80-year-old Scout documents, author Patrick Boyle traces sexual abuse from Scouting's roots to today's headlines.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
