

# Mi Corazon En Yambo

Tom Lord

**Ecuadorian Cinema for the 21st Century** María Fernanda Miño Puga, 2023-10-13 Ecuadorian cinema has been largely overlooked in film scholarship, usually being limited to brief descriptions in Latin American compendiums. Ecuadorian cinema for the 21st century would be the first major publication in English to fill this gap. It provides a thorough account of film activities during the new millennium, while also referring to the country's previous film history. Specifically, this book discusses the so-called 'mini-boom' in Ecuadorian cinema, and its relation to industry structures, film policy, and the context of Socialism for the 21st century, hence the chosen terminology of "Ecuadorian cinema for the 21st century". What makes this project distinctive, aside from the originality of its content, is its transdisciplinary methodology. As a means to frame the textual analysis of selected films, this book discusses theories on national cinemas, memory, political ideology, and production practices, in an interdisciplinary approach that can be emulated in later projects. For this purpose, the book is divided into five chapters, in addition to a brief introduction and conclusion. Each chapter relies on specific case studies to discuss local narratives and documentaries, whether state sponsored or privately funded, centring primarily on films that premiered in commercial theatres between 2006 and 2016.

*Música acuática* T. C. Boyle, 2017-08-09 Música acuática fue la primera novela de Boyle, una sublime fantasía, divertida e indecente, que anunció al mundo el nacimiento de uno de los grandes talentos de la actual narrativa norteamericana. Ambientada en las postrimerías del siglo XVIII, esta ficción histórica narra las disparatadas aventuras de Mungo Park, un soñador que abandona su pacífica Escocia natal para adentrarse en el salvaje e inexplorado corazón del África negra, y de

Ned Rise, un buscavidas que intenta abrirse camino en las calles de un Londres miserable. Dos historias llenas de anacronismos y licencias hilarantes que mezclan las vidas paralelas de dos personajes que acabarán uniendo sus destinos en primera expedición del hombre occidental a las fuentes del Níger.
