

One And Only Adele

JG Myers

Someone Like Adele Caroline Sanderson, 2012-03-13 Read the full, enthralling story of the 20-something London girl who took the music world by storm. This fully updated paperback edition of the bestselling biography, *Someone Like Adele*, also now includes the story of how Adele found happiness with boyfriend (and rumoured husband) Simon Konecki; became a mother; and came to record the towering theme song for the James Bond movie, *Skyfall*. Find out about her upbringing as the child of a single mother in north London and her time at the BRIT School for Performing Arts & Technology in Croydon where her peers included Leona Lewis and Jessie J. Learn how her early performances after graduating from the BRIT school along with a MySpace demo led to her being signed up XL Records, and then voted the Brit Awards Critics' Choice even before her debut album, *19*, was released. Discover how real-life heartbreak inspired many of her iconic songs, including 'Rolling in the Deep' and 'Someone Like You'; and how a diverse range of musical influences - from the Spice Girls and Gabrielle to Etta James and contemporary Nashville sounds - contributed to her record-smashing second album, *21*.

Adele Katherine E. Krohn, 2013-02-04 Adele's talents as a singer and songwriter have earned her six Grammys, but it's her down-to-earth personality, honest sense of humor, and raw vocals that have helped her to win the hearts of fans all over the world. This compelling biography by author Katherine E. Krohn traces the life and career of music sensation Adele. Readers will learn about the singer's early life in London, how Adele's talents were first discovered, the role heartbreak played in many of her hit singles, and what caused her to experience a career crisis. This engaging edition supports biography and social studies assignments and provides readers with an extensive bibliography, a detailed timeline of events, and informative sidebars.

Adele: Grammy-Winning Singer & Songwriter Lisa Owings, 2013-01-01 This title examines the fascinating life of Adele. Readers will learn about Adele's childhood, family, education, and rise to fame. Colorful graphics, oversize photos, and informative sidebars accompany easy-to-read, compelling text that explores Adele's early interest in music and talent in singing and songwriting that led to the release of her albums *19* and *21*. Adele's multiple Grammy Awards and charitable work are also described. Features include a table of contents, glossary, selected bibliography, Web links, source notes, and an index, plus a timeline and fun facts. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Adele Chas Newkey-Burden, 2015-12-29 The life story of the Grammy-award winning soul singer Adele from a British journalist, divulging the personal challenges behind her rise to fame. Adele's breathtaking songs have seen her top the charts in over thirty countries, collect millions of admirers, and win dozens of top awards. But who is she? Her commendable desire to protect her family and friends from the harsh glare of the media's spotlight has meant that she has become one of the most private superstars on the planet. *Adele: The Biography* traces her story from a humble childhood in London through to the phenomenal success of her first three albums, 19 and 21, and 25. Along the way, this unique book uncovers how her troubled private life influenced her heartbreaking tracks and how she overcame a string of obstacles that threatened to derail her career. You will discover the fascinating truth behind all the highs and the lows experienced by this fun, formidable woman, whose songs have become national anthems for the heartbroken. In his internationally-bestselling biography, Chas Newkey-Burden reveals the woman behind the music.

Adele Marc Shapiro, 2012-07-17 Over the past year, Adele has taken the country by storm, sweeping the 2012 Grammy Awards and taking home six titles, including one for Album of the Year. The British singer-songwriter has been smashing records ever since her 2008 appearance on Saturday Night Live and her 2009 Grammy for Best New Artist. The success of her second album, 21, made her the first living artist since the Beatles to have two top-five hits in both the UK singles and albums charts. The album hit the #1 spot in 18 different countries. In the U.S., 21 is the longest running number one album by a female in Billboard history, surpassing Whitney Houston's *The Bodyguard*. To put it simply, her worldwide success is unmatched. This one-of-a-kind book will provide answers to fans' burning questions, including: —What was Adele's childhood like as the daughter of a single, teenage mother? —Growing up, who were her biggest inspirations and influences in the music industry? —As someone whose career depends on her voice, what was it like being diagnosed with a vocal cord hemorrhage? —How did canceling her Adele Live tour affect her career? —How did she make the decision to perform at the Grammys, while still recovering from vocal surgery? —And much more! A must-read for every Adele fan.

A Biographical Guide to the Great Jazz and Pop Singers Will Friedwald, 2010-11-02 Will Friedwald's illuminating, opinionated essays—provocative, funny, and personal—on the lives and careers of more than three hundred singers anatomize the work of the most important jazz and popular performers of the twentieth century. From giants like Ella Fitzgerald, Louis Armstrong, Frank Sinatra, and Judy Garland to lesser-known artists like Jeri Southern and Joe Mooney, they have created a body of work that continues to please and inspire. Here is the most extensive biographical and critical survey of these singers ever written, as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung. The music crosses from jazz to pop and back again, from the songs of Irving Berlin and W. C. Handy through Stephen Sondheim and beyond, bringing together straightforward jazz and pop singers (Billie Holiday, Perry Como); hybrid artists who moved among genres and combined them (Peggy Lee, Mel Tormé); the leading men and women of Broadway and

Hollywood (Ethel Merman, Al Jolson); yesterday's vaudeville and radio stars (Sophie Tucker, Eddie Cantor); and today's cabaret artists and hit-makers (Diana Krall, Michael Bublé). Friedwald has also written extended pieces on the most representative artists of five significant genres that lie outside the songbook: Bessie Smith (blues), Mahalia Jackson (gospel), Hank Williams (country and western), Elvis Presley (rock 'n' roll), and Bob Dylan (folk-rock). Friedwald reconsiders the personal stories and professional successes and failures of all these artists, their songs, and their performances, appraising both the singers and their music by balancing his opinions with those of fellow musicians, listeners, and critics. This magisterial reference book—ten years in the making—will delight and inform anyone with a passion for the iconic music of America, which continues to resonate throughout our popular culture.
