Passion and Pain Marc Shapiro, 2024-06-04 A definitive biography of Hector Lavoe's rise from Puerto Rico to stardom in New York that led to sold-out concerts and best-selling salsa albums, yet gave way to drug addiction, a strained marriage and tragedy. From the poverty-stricken streets of Ponce, Puerto Rico to the vibrant barrios of New York City, HECTOR LAVOE became the singer of all singers, and the driving-force behind the Salsa movement in the mid-1960s. His popularity rivaled that of his contemporaries, Tito Puente, Celia Cruz and Johnny Pacheco. Behind the music, Hector's life was filled with drugs, alcohol and women. An endless stream of tragedy plagued him, including a gun-related accident that killed his son, Hector's ninth floor jump from a hotel window, and his death in 1993 from AIDS. But Hector's pristine voice, one-of-a-kind stage performances, sold-out concerts and bestselling albums were what his fans remember most and what made him an international icon. His music brought joy to legions of people, and it continues today. Marc Shapiro's *Passion and Pain* is A no-holds barred biography (Uptown Magazine) of a fascinating life.

Cherry Blossom Blues Marla-Tiye Vieira, 2024-06-21 Delve into a lyrical love story shared between two Afro-American men living in the District of Columbia during the ethos of the roaring 1920s and the Harlem Renaissance. In spite of their class differences, their clandestine affairs thrive among their respective travels, marriages, careers, and time itself. Experience exhilaration as the main characters intertwine with real-life figures: Al Capone, Marcus Garvey, Herbert Hoover, Stephanie St. Clair and Albert Khan in Harlem, Macon, Georgia and Paris, France. Get goosebumps observing the living commune with the dead during ritualistic and mysterious séances. Observe how history often repeats itself by encountering the ramifications of the Spanish Influenza, World War I, Prohibition, and the threat of rising fascism foreshadowing the Jewish Holocaust. Most importantly, glean the profundity of our interconnections with everything in the universe in order to achieve authentic bliss.

Development and Decolonization in Latin America Julie Cupples, 2022-01-05 Written in an accessible language, this book is a fully updated and revised edition of *Latin American Development*, a text that provides a comprehensive introduction to Latin American development in the twenty-first century and is anchored in decolonial theory and other critical approaches.

This new edition has been revised and updated in a way that takes into account recent changes in political leadership, the retreat of the Pink Tide, the Colombian peace accords, new forms of political and territorial mobilization, the intensification of extractivism, murders of environmental defenders, major disasters, and the new contours of feminist and anti-patriarchal struggles. It features new chapters on decolonial theory, Latin America in the world, disastrous development, Afrodescendant struggles, and the Latin American city. The book emphasizes political, economic, social, cultural, and environmental dimensions of development and considers key challenges facing the region and the diverse ways in which its people are responding, as well as providing analysis of the ways in which such challenges and responses can be theorized. It explores the region's historical trajectories, the implementation and rejection of the neoliberal model, and the role played by diverse social movements. It is an indispensable resource for students and university lecturers and professors in development studies, Latin American studies, geography, anthropology, sociology, political science, economics, and cultural studies. In addition, it provides an invaluable introduction to the region for journalists and development practitioners.
