

# Quotes From Things They Carried

## Eternal Doctrine

The Things They Carried Tim O'Brien, 1990 One of the first questions people ask about *The Things They Carried* is this: Is it a novel, or a collection of short stories? The title page refers to the book simply as a work of fiction, defying the conscientious reader's need to categorize this masterpiece. It is both: a collection of interrelated short pieces which ultimately reads with the dramatic force and tension of a novel. Yet each one of the twenty-two short pieces is written with such care, emotional content, and prosaic precision that it could stand on its own. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and of course, the character Tim O'Brien who has survived his tour in Vietnam to become a father and writer at the age of forty-three. They battle the enemy (or maybe more the idea of the enemy), and occasionally each other. In their relationships we see their isolation and loneliness, their rage and fear. They miss their families, their girlfriends and buddies; they miss the lives they left back home. Yet they find sympathy and kindness for strangers (the old man who leads them unscathed through the mine field, the girl who grieves while she dances), and love for each other, because in Vietnam they are the only family they have. We hear the voices of the men and build images upon their dialogue. The way they tell stories about others, we hear them telling stories about themselves. With the creative verve of the greatest fiction and the intimacy of a searing autobiography, *The Things They Carried* is a testament to the men who risked their lives in America's most controversial war. It is also a mirror held up to the frailty of humanity. Ultimately *The Things They Carried* and its myriad protagonists call to order the courage, determination, and luck we all need to survive. In 1979, Tim O'Brien's *Going After Cacciato* -- a novel about the Vietnam War -- won the National Book Award. In this, his second work of fiction about Vietnam, O'Brien's unique artistic vision is again clearly demonstrated. Neither a novel nor a short story collection, it is an arc of fictional episodes, taking place in the childhoods of its characters, in the jungles of Vietnam and back home in America two decades later.

**The Things They Carried** Tim O'Brien, 1990 Each of these 22 tales relate the exploits and personalities of a fictional platoon of American soldiers in Vietnam.

**War and Literature: Looking Back on 20th Century Armed Conflicts** Tom Burns, Elcio Cornelsen, Volker Jaeckel, Luiz Gustavo Vieira, 2014-06-01 This comprehensive volume analyzes the radical change in the nature of armed conflicts and in the way they are narrated and represented. Ever since the First World War has changed war itself, rendering

meaningless the very vocabulary of war in terms such as battle, front, non-combatant, open city and hero, new words, new approaches, new theories and new texts had to be invented. The enemy became invisible: Submarines, tanks, mines, gas, long-range artillery, and airplanes made this war different from all the other that came before. A hundred years after the beginning of this terrible war, it is now time to recall different representations of the armed conflicts of the 20th century. The articles in this collection analyze representations of the Canudos Civil War in Brazil, the First World War, the Second World War, the Korean War, the Vietnam War, the colonial wars in Africa, and the war in Afghanistan, aiming to understand how war and the telling of war have changed during the most murderous hundred years in the history of mankind.

*The Things They Carried* Tim O'Brien, 1991

Tim O'Brien Tobey C Herzog, 2018-04-17 This collection of seven essays, like the carefully linked collection of vignettes within Tim O'Brien's most popular book *The Things They Carried*, contains multiple critical and biographical angles with recurring threads of life events, themes, characters, creative techniques, and references to all of O'Brien's books. Grounded in thorough research, Herzog's work illustrates how O'Brien merges his life experiences with his creative production; he rarely misses an opportunity to introduce these critical life events into his writing.

30 Quotes That F\*cked Me Up Lanee Higgins, 2023-06-26 We often internalize the things that other people say to us. But have you thought about how those words affect you in the long run? Author Lanee Higgins explores 30 things people said that stuck with her throughout her life in *30 Quotes That F\*\*ked Me Up*. It's a journey of healing, learning, regrets, mistakes, and authentic, brutally honest reflection. We truly never know when someone will say the words that will f\*k us up. But as Lanee says in book, that isn't always a bad thing.

*Postmodernism and the Acoustic Environment of the Vietnam War in Tim O'Brien's "The Things They Carried"* Urs Endhardt, 2014-03-03 Seminar paper from the year 2013 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Basel, language: English, abstract: During the course of this seminar paper, I will show how O'Brien describes the Vietnam War and its accompanying acoustic environment as a loud and chaotic cacophony, where no clear boundaries and no easily identifiable enemy exist. Thereby, and by the way in which O'Brien employs characteristics typical for postmodern fiction, the novel can be seen as an exemplary postmodern representation of the Vietnam War. For the understanding and distinction of the terms postmodernism and postmodernity I will include a discussion of their characteristics.

**Aftermath** Tim Haughton, 2016-03-23 Focusing on three of the defining moments of the twentieth century - the end of the two World Wars and the collapse of the Iron Curtain - this volume presents a rich collection of authoritative essays, covering a wide range of thematic, regional, temporal and methodological perspectives. By re-examining the traumatic legacies of the century's three major conflicts, the volume illuminates a number of recurrent yet differentiated ideas

concerning memorialisation, mythologisation, mobilisation, commemoration and confrontation, reconstruction and representation in the aftermath of conflict. The post-conflict relationship between the living and the dead, the contestation of memories and legacies of war in cultural and political discourses, and the significance of generations are key threads binding the collection together. While not claiming to be the definitive study of so vast a subject, the collection nevertheless presents a series of enlightening historical and cultural perspectives from leading scholars in the field, and it pushes back the boundaries of the burgeoning field of the study of legacies and memories of war. Bringing together historians, literary scholars, political scientists and cultural studies experts to discuss the legacies and memories of war in Europe (1918-1945-1989), the collection makes an important contribution to the ongoing interdisciplinary conversation regarding the interwoven legacies of twentieth-century Europe's three major conflicts.

Aftermath Dr Nicholas Martin, Dr Tim Haughton, Dr Pierre Purseigle, 2014-12-28 Focusing on three of the defining moments of the twentieth century - the end of the two World Wars and the collapse of the Iron Curtain - this volume presents a rich, interdisciplinary collection of authoritative essays, covering a wide range of thematic, regional and methodological perspectives. By re-examining these traumatic years it illuminates ideas concerning mythologisation, mobilisation, commemoration, confrontation and representation in the aftermath of conflict. The relationship between the living and the dead, the contestation of memories and legacies of war in cultural and political discourses, and the significance of generations are all key threads binding the collection together.

Exhibiting Dilemmas Amy Henderson, Adrienne L. Kaeppler, 1997 In showing how the exhibitions in America's national museum can evoke conflicting memories, emotions, and meaning among both curators and a diverse public, *Exhibiting Dilemmas* airs fundamental issues being confronted by museum professionals worldwide.

Summary and Analysis of The Things They Carried Worth Books, 2017-01-31 So much to read, so little time? This brief overview of *The Things They Carried* tells you what you need to know—before or after you read Tim O'Brien's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This Summary of *The Things They Carried* by Tim O'Brien includes: Historical context Story-by-story summaries Character analysis Themes and symbols Important quotes Supporting material to enhance your understanding of the source work About *The Things They Carried* by Tim O'Brien: A New York Times Book of the Century and Pulitzer Prize finalist, *The Things They Carried* is a modern classic and an essential work of literature about the Vietnam War. Brilliantly blending fact and fiction, autobiography and imagination, Tim O'Brien draws on personal experience to tell the stories of a platoon of American

soldiers sent to fight Vietnam. As they trek through jungles and across mountains, the young men of Alpha Company carry radios, assault rifles, C-rations, and good luck charms—as well as grief, love, terror, and the shame of cowardice. Most of all, they carry the dream of escape, not yet knowing that the burden of memory will haunt them long after the war is over. Taught in classrooms all over the world, *The Things They Carried* is a groundbreaking work of art that reveals the true nature of war and celebrates the healing power of storytelling. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of fiction.

**War Baby Express** Roseann Lloyd, 1996 Midwest poet explores the painful links between militarism and family violence.

**Soldiers Once and Still** Alex Vernon, 2004-06 Looks back through the twentieth century in order to confront issues of self and community in veterans' literature, exploring how war and the military have shaped the identities of Ernest Hemingway, James Salter, and Tim O'Brien, three of the twentieth century's most respected authors.

*Power of Trees Reforesting Soul* Michael Perlman, 1994 Through psychological interviews with a variety of individuals (including residents of South Florida after Hurricane Andrew), and a loving attention paid to trees encountered in literature and mythology, Perlman explores the shaping effects of trees on consciousness, culture, and ecological concern.

Auto/biography Studies , 2002

*The Sincerest Form* Nicholas Delbanco, 2004 Nicholas Delbanco explores the stories and techniques of twelve stylists, from Ernest Hemingway to Jamaica Kincaid, and encourages students to imitate the craft of these master storytellers as they hone their own fiction writing skills.

**Eternal Doctrine** Eternal Doctrine, 2018-09-16 *Eternal Doctrine: The Bible in Sequence, Edition 1* By: Eternal Doctrine The Bible in Sequence: *Eternal Doctrine: Volume 1* presents an in-depth analysis of the bible is presented as a contemporary version of the King James Bible. With commentary, analysis, and further enhancement of the familiar Bible text, the books of the Bible are introduced in a way that lends itself to readability and new viewpoints. Presenting both the Old and New Testaments in sequence and by events rather than the typical order, this volume fully explores the Bible and extends the opportunity to scholars and readers for a greater understanding and appreciation.

## Quotes From Things They Carried Introduction

In today's digital age, the availability of Quotes From Things They Carried books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Quotes From Things They Carried books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Quotes From Things They Carried books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing

Quotes From Things They Carried versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Quotes From Things They Carried books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Quotes From Things They Carried books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Quotes From Things They Carried books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Quotes From Things They Carried books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Quotes From Things They Carried books and manuals for download and embark on your journey of knowledge?

## FAQs About Quotes From Things They Carried Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
