Seeing MAD Judith Yaross Lee, John Bird, 2020-11-16 “Seeing Mad” is an illustrated volume of scholarly essays about the popular and influential humor magazine Mad, with topics ranging across its 65-year history—up to last summer’s downsizing announcement that Mad will publish less new material and will be sold only in comic book shops. Mad magazine stands near the heart of post-WWII American humor, but at the periphery in scholarly recognition from American cultural historians, including humor specialists. This book fills that gap, with perceptive, informed, engaging, but also funny essays by a variety of scholars. The chapters, written by experts on humor, comics, and popular culture, cover the genesis of Mad; its editors and prominent contributors; its regular features and departments and standout examples of their contents; perspectives on its cultural and political significance; and its enduring legacy in American culture.

Make 'Em Laugh Michael Kantor, Laurence Maslon, 2008-12-02 From the most popular routines and the most ingenious physical shtick to the snappiest wisecracks and the most biting satire of the last century, Make 'Em Laugh illuminates who we are as a nation by exploring what makes us laugh, and why. Authors Laurence Maslon and Michael Kantor draw on countless sources to chronicle the past century of American comedy and the geniuses who created and performed it—melding biography, American history, and a lotta laughs into an exuberant, important book. Each of the six chapters focuses a different style or archetype of comedy, from the slapstick pratfalls of Buster Keaton and Lucille Ball through the wiseguy put-downs of Groucho Marx and Larry David, to the incendiary bombshells of Mae West and Richard Pryor. And at every turn the significance of these comedians—smashing social boundaries, challenging the definition of good taste, speaking the truth to the powerful—is vividly tangible. Make 'Em Laugh is more than a compendium of American comic genius; it is a window onto the way comedy both reflects the world and changes it—one laugh at a time. Starting from the groundbreaking PBS series, the

authors have gone deeper into the works and lives of America's great comic artists, with biographical portraits, archival materials, cultural overviews, and rare photos. Brilliantly illustrated, with insights (and jokes) from comedians, writers and producers, along with film, radio, television, and theater historians, *Make 'Em Laugh* is an indispensable, definitive book about comedy in America.

The Magazine Century David E. Sumner, 2010 The future of magazines? Murky. Their past? Glorious. How we got from there to here is told in this compelling history. It's thrilling, funny, disturbing, sad, and ultimately inspiring. And in these pages are broad and helpful hints on how we can return to glorious.---Richard B. Stolley, Founding Editor, *People*, and Senior Editorial Adviser, Time Inc. --Book Jacket.

Animation, Caricature, and Gag and Political Cartoons in the United States and Canada John A. Lent, 1994-07-21 One of four volumes dealing with the world of comic art, this volume is a comprehensive, international bibliography dealing with animation, caricature, gag, illustrative, magazine, and political cartoons in the United States and Canada. Reflecting the substantial growth of comic art literature in recent years, it is representative of various types of publications, writing formats and styles, and languages from all over the world. The four volumes attempt for the first time to pull together the massive amount of comic art literature worldwide. Organized with meticulous detail, the work consists of numerous resources, including an annotated directory of 66 comic art-related periodicals; a section of comic art functions, activities, and relationships with various socio-cultural phenomena, such as education, eroticism, ethnicity, race, social consciousness, and violence; as well as historical and contemporary parts on animation, caricature, gag cartoons, and political cartoons. At least 224 animators, caricaturists, and cartoonists are singled out for special prominence. Business, legal, and technical aspects of each genre make up other categories. The book is enhanced by Maurice Horn's foreword, retracing the pioneer work he and others did in the field of comic art studies. To further help the user, the indices are systematically broken down by authors, cartoonists, characters and titles, periodicals, and subjects.

— to the fabric of Canadian society. In this anthology of Filipino-Canadian writing, Magdaragat explores the diverse intricacies of this growing yet underrepresented people, continuing the vital work of recognizing and celebrating their cultural contributions. Writers in this anthology, hailing from across Turtle Island, each provide their singular yet universally resonating insights through stories of new homes and old homelands, of untangling internalized racism and championing solidarity, of the chasms within intergenerational households and the work of repairing them, and more. Poems, essays, short fiction, plays, and speeches — their works collected here showcase a wide breadth of Filipino-Canadian experience. Through stories of sacrifice, violence, and discrimination interspersed with stories of success, recovery, and solidarity, Magdaragat delves into Filipino-Canadian history, the joys and struggles of its present, and the hopes and aspirations for the future.
