*Impermanent Footprints* Jill Marcy, 2010-05-20 As I leave my time on this earth I know that my footprints on it are silent, invisible and impermanent upon its surface. My existence is only recorded by those I've known in my life in their memories of me. These too are impermanent and will in time fade and become no more. This is the cycle of life. I write this book as a personal record of my viewpoints, interpretations of what I have viewed and experienced whilst on my earth walk. My motivation to write it is like many before me and many more after I am gone. To leave a vision in print for others to reference to or use as a signpost towards a path upon which they might like to journey themselves. I write this book of reference mainly for my sons, for when I am gone they will in time forget my voice of guidance and this book will be a way of keeping my teachings and guidance available for them to tap into if they need once I am no longer here physically. I began to write this book in the year 2007. I am now reaching my mid 40's and am beginning to start my reflective years of living. My generation has been given the name of the X generation, which is interesting due to the content of my book falling into the X factor. However if you ask my sons they would have you believe that I'm well into being OLD. In history men and women were respected in their elder years as the tribes and cultures of those times valued their wisdom, which they contributed to the younger members of the tribe. Storytelling was a valued tradition as it was in that time the only way to hand down knowledge so it could continue on through the younger generations. In our modern society this tradition is considered barbaric and youth is valued now and society continues to endorse how to stay YOUNG!

*Finding Your Soul Mate with ThetaHealing* Vianna Stibal, 2016-10-11 Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like, but we lack the feeling and knowing of how to fulfill this desire in the highest and best way. The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world. Seen from this context, finding your soul mate has deeper ramifications than a

purely romantic desire; the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world. The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us, and that two people are brought together for a divine plan that will contribute towards a higher purpose. Based on Vianna Stibal's own experience of finding her soul mate, this book will reaffirm your belief in true love and will explain how, using ThetaHealing®, you can bring your soul mate into your life.

His Contract Luna Eunice Amnell, After taking her for granted for several years, can a scarred Werewolf Alpha claim his mate before she walks away forever? Owen Crawford, the distinguished Alpha of the Crawford Pack, built walls around his heart after tragedy ripped away his official mate and the mother of his sons, Mia. When Eleanor Adler became his contract Luna, she was meant to be a mere duty and a beautiful burden to appease his pack council. But years of quiet companionship have chipped away at Owen's icy facade, revealing a flicker of something more for Eleanor than he dares to admit. Eleanor, a woman who is perpetually overlooked, has worn the label of second choice like a worn cloak. From an abandoned future Luna to a rejected mate to a jilted fiancée, she's learned to survive in the shadows of another's love story. Yet, with Owen, a forbidden warmth simmers beneath the surface, a connection she craves even if it's doomed. As the anniversary of their contract looms, a single document shatters their fragile equilibrium. Could Eleanor be planning to leave? The thought cracks open Owen's hardened heart, forcing him to confront a truth he's buried for years: he loves her. But can he bridge the chasm of their past wounds and convince her to stay, or will the ghosts of yesterday steal his second chance at forever? As a standalone side story to the series titled *Their Fated Mate*, this second chance paranormal romance story shows Eleanor and Owen's struggles with their responsibilities, the expectations of the people around them, their hidden desires, and the love that dares to blossom from the ashes of heartbreak. No prior knowledge of the main series is required, so dive into Eleanor and Owen's passionate, angsty tale in this second chance werewolf romance novella today!
