The Hal Leonard Vocal Sheet Music series is an exciting new series for singers, featuring authentic piano accompaniments and custom guitar chord diagrams, tailored to each song's unique chord progressions and designed to provide realistic support. 33 contemporary pop songs are included in this volume: All of Me * Beautiful * Clocks * Drops of Jupiter (Tell Me) * Hello * If I Ain't Got You * Just Give Me a Reason * Look What You Made Me Do * Million Reasons * Roar * Stay with Me * Thinking Out Loud * A Thousand Years * When I Was Your Man * and more.

Pop-Culture Pedagogy in the Music Classroom Nicole Biamonte, 2010-10-28 Teachers the world over are discovering the importance and benefits of incorporating popular culture into the music classroom. The cultural prevalence and the students' familiarity with recorded music, videos, games, and other increasingly accessible multimedia materials help enliven course content and foster interactive learning and participation. *Pop-Culture Pedagogy in the Music Classroom: Teaching Tools from American Idol to YouTube* provides ideas and techniques for teaching music classes using elements of popular culture that resonate with students' everyday lives. From popular songs and genres to covers, mixes, and mashups; from video games such as Dance Dance Revolution and Guitar Hero to television shows like American Idol, this exciting collection offers pedagogical models for incorporating pop culture and its associated technologies into a wide variety of music courses. Biamonte has collected well-rounded essays that consider a variety of applications. After an introduction, the essays are organized in 3 sections. The first addresses general tools and technology that can be incorporated into almost any music class: sound-mixing techniques and the benefits of using iPods and YouTube. The middle section uses popular songs, video games, or other aspects of pop culture to demonstrate music-theory topics or to develop ear-training and rhythmic skills. The final section examines the musical, lyrical, or visual content in popular songs, genres, or videos as a point of departure for addressing broader issues and contexts. Each chapter contains notes and a bibliography, and two comprehensive appendixes list popular song examples for teaching harmony, melody, and rhythm. Two indexes cross-reference the material by title and

by general subject. While written with college and secondary-school teachers in mind, the methods and materials presented here can be adapted to any educational level.

Death in Venice and Other Stories Thomas Mann,2014-11-04 A haunting novella, *Death in Venice* tells the story of a man who falls into foolish love, only to reap his own ruin. Gustav von Aschenbach, a dignified but lonely writer in the twilight of his life, is enjoying a Venetian vacation when he notices the taut, lean figure of a Polish boy. His name is Tadzio—and he embodies the sleek perfection of youth. Aschenbach finds himself completely and hopelessly obsessed with this ideal. *Death in Venice* brims with mythical imagery, exploring the themes of beauty and decay, passion and pestilence. This translation of Nobel laureate Thomas Mann's work by Jefferson S. Chase includes an additional novella, *Tonio Kröger*, and the short stories "Tristan," "Man and Dog: An Idyll," "Hour of Hardship," "Tobias Mindernickel," and "The Child Prodigy." Translated and with an Introduction by Jefferson S. Chase and an Afterword by Martin Swales
