The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20

The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs—his words have never gone out of fashion—and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

The American Flag John R. Vile, 2018-10-05 At a time when the U.S. flag is both a source of both pride and controversy, this volume provides the first encyclopedic A-to-Z treatment of the U.S. flag in American history, culture, and law. This title is a comprehensive resource for understanding all aspects of the American flag and its relationship to the American people. The encyclopedia provides a thorough historical examination of key developments in the flag's design as well as laws and court decisions related to the flag and the First Amendment. In relation to the flag's history, it also discusses evolving public

attitudes about its importance as a national symbol. The encyclopedia contains illuminating scholarly essays on presentations of the flag in American politics, the military, and popular culture including art, music, and journalism. Additionally, these essays address important rules of flag etiquette and modern controversies related to them, from flag-burning to refusing to stand during the playing of the U.S. National Anthem.
