The Final Battle William C. Dietz, 1995-07-01 Human and machine. Elite and Expendable. They are the Legion of the Damned. The Hudathans are on a rampage. They have created their own corps of cyborgs using copycat technology and psychotic candidates. They have refitted their hardware. Reloaded their weapons. Refueled their insanity. And targeted the heart of the Confederacy, once and for all. The Legion will be there to greet them.

Bentonville Nathaniel Cheairs Hughes Jr., 2000-11-09 The battle of Bentonville, the only major Civil War battle fought in North Carolina, was the Confederacy's last attempt to stop the devastating march of William Tecumseh Sherman's army north through the Carolinas. Despite their numerical disadvantage, General Joseph E. Johnston's Confederate forces successfully ambushed one wing of Sherman's army on March 19, 1865 but were soon repulsed. For the Confederates, it was a heroic but futile effort to delay the inevitable: within a month, both Richmond and Raleigh had fallen, and Lee had surrendered.

The Final Battle Purnell Myles, 2023-03-08 Some wars are fought with bullets. Others with truth. But the final battle? That one starts in the soul. Bolders thought he'd left the battlefield behind. A former elite soldier haunted by loss and betrayal, he's built a quiet life out of the ruins of his past. But when an urgent call reunites him with his old team, he's pulled into a mission unlike any he's ever faced—one that threatens not just nations, but the very heart of humanity. What begins as a

covert operation quickly unravels into something far darker. Unnatural forces stir. Secrets surface. And the enemy they're up against isn't just flesh and blood. As the line between the physical and the spiritual blurs, Bolders must confront the truth about his past, his purpose, and the war raging inside him. To survive, he'll need more than courage and combat skills-he'll need faith. Gripping, redemptive, and deeply spiritual, *The Final Battle* is a powerful story of healing, sacrifice, and the fight for what truly matters.

The Third Act Drew Yanno,2006-09-01 *The Third Act* is the first screenwriting instructional book to focus entirely on that most important part of a script - the ending.

First to the Rhine Mark Stout, Harry Yeide, This is the story of the Allied forces--the U.S. 6th Army Group and French 1st Army--that landed in southern France on August 15th, 1944. The book follows the action from the French beaches to the Vosges Mountains, where the first Allied penetration along the entire Western front reached the Rhine River. *First to the Rhine* covers the vicious fighting during the German Nordwind counteroffensive in January 1945 and the French-American offensive to clear the Colmar Pocket. It then pursues the forces of the Third Reich across the Rhine to their ultimate destruction. Unlike the forces landing in Normandy, these American divisions were hard-bitten veterans of the war in Italy, and, in the case of the 3d Infantry Division, North Africa. The French units included many veterans of the Italian campaign and comprised Frenchmen and Africans in almost equal numbers. As the campaign went on, the French ranks were swelled by tens of thousands of Free French Forces of the Interior, the famous maquis. The German forces arrayed against the Allies included the famed 11th Panzer Division, an Eastern front veteran known as the Ghost Division, which would hit the Allied advance time and again only to slip away before it could be pinned and destroyed. This is the harrowing story *First to the Rhine* tells, from the strategic plane--down through the corps, division, and regimental levels to the personal experience of the men in combat, including the likes of Audie Murphy, America's most decorated infantryman of the war. The book features little-known battles, including one at Montelimar, when an ad hoc American armored command and the 36th Infantry Division came within a hair's breadth and several days of hard fighting of cutting off the entire German 19th Army. This is the first popular work in English to explore the French role in the fighting and the relationship between the U.S. Army and the French forces fighting under American command.

The Final Battle Yrwin Rodriguez,2019-12-09 It is fully confirmed by the Bible, about the participation of the United States and the Papacy at the institutional and corporate level, in the outcome of the cosmic conflict between good and evil on the planet. However, as the Holy Scriptures also indicates, that THE FINAL BATTLE between good and evil is an eminently spiritual fact, from a human perspective, it is more of a particular nature than a collective one. It does not happen because you belong to a monumental religious denomination, or to a social or even family group, politic party, guilds, sects or crowds, since salvation is exclusively individual between you and God. This evil war without quarter, its development evidenced every minute, by multiple manifestations in all directions, ranging from extreme climates and induced earthquakes, manipulated collective anguish, designed economic crises, programmed famines, pests created in laboratories, to levels self-destruction maximums. This spiritual war without borders is led by a being that is now visible, Satan, called in the end, Apollion, or the destroyer, using leaders from the power of world empires, sponsored by presidents, judge ministers, senators, deputies, and mayors, both in the religious, political and economic-financial sectors. It is evident between the control and dominance strategies, on the one hand leaving aside the good, the good, the honest, the fair, noble, and true, to give way to concepts and falsehoods through religious figures. Pastors, false prophets, priests, deceitful gurus with ephemeral demonstrations and on the other hand, psychological manipulation, stimulating anxiety, anguish, promoting depression, suicide, anger, hopelessness, giving impulse to resentment, hatred and creating confusion and self-destruction with satellite electro acoustic technology in the masses through the media and networks.

The Final Battle Vivian Porter,2024-02-12 The final battle begins in Holly Well Springs. For fifty years, the Magic Well has brought together all the hearts that needed healing. It had done its work by creating a year-round Christmas town in Holly Well Springs, a place where the joy of Christmas brought happiness and healing to all who needed it. But not everyone loved the town, and it had faced many tests in the past that the First Generation had to overcome before stepping aside for a new generation of Protectors of the Well. Just when all the members of the Next Generation had found their true loves, the Well and the year-round Christmas town it had created faced the most serious threat ever. Alex, full of evil and hatred, traveled all the way from a magical realm just to wield the Well's power for himself, calling on some of those closest to the Protectors to be his evil allies. But even in their darkest hour, the Next Generation was determined to show that their hearts were strong as they joined together to celebrate the wedding of Ben and Katrina and the promise of everlasting love that it

represented. Will the Next Generation save Holly Well Springs? Or will the people of the town lose the magical joy of Christmas forever? Join them as they fight this final battle for the heart of Holly Well Springs.
