**Wasted Lives** Mark Bredenbeck, 2014-05-01 'He who fights with monsters best be careful, lest he thereby become a monster' While on stress leave, Detective Sergeant Mike Bridger is learning about the complexities of life through a book of ancient philosophy. Life was much simpler when Friedrich Nietzsche wrote his quotes, but he can see the obvious parallels between then and now. He knows in some parts of today's society, filled with fear and intimidation, live many that have made bad choices. A late night phone call drags him back into the real world where an armed robbery has gone tragically wrong. Quick work brings an early arrest, but in the process, a chain of events is set in motion that will rock the Dunedin Police to its core. During a routine enquiry, Bridger comes face to face with an old foe who wants something he can't give. He makes a choice he thought he would never have to make but what he does not realize, is that this time, anyone is fair game... A fast moving story that races towards a tragic conclusion leaves Bridger with one question. Can a monster really be created...?

*One Beach, Two Babes, and The Squid* Buck Buchanan, 2025-04-15 Get ready for a wild ride where danger and hilarity intertwine, and where the line between friend and foe blurs under the scorching Florida sun. As the band sets the tropical soundtrack, investment advisor Tom McCall aims to bring some cool to the sizzling scene. But is he who he claims to be? Enter Florida Freddi and Missy Mudd, the dynamic duo of real estate known as the Bikini Real Estate team. Their latest sale to Jules Armand takes an unexpected turn when suspicions arise—is Armand truly who he says he is, or is he the notorious Russian scam artist Boris Nabokov? Tom, alias for former cop turned private investigator Rick Dante, is on the case, unraveling a web of deceit that intertwines with Freddi's secret life as Sabrina, agent for exotic dancers. But their investigations lead to a darker truth—a female trafficking ring operated by ruthless Russians. As Freddi and Rick's paths collide, sparks fly in more ways than one, igniting a magnetic attraction despite their mutual suspicions. With a colorful cast

of characters, including Boomer the horse and The Squid, their journey will have you holding on tight as you barrel towards a chaotic and uproarious showdown.

*Special Educational Provision in the Context of Inclusion* Janice Wearmouth,2013-05-13 This text traces the development of special educational provision and goes on to concentrate on some of the key issues relevant to professionals currently working in the field. It looks at the recent drive towards inclusion and the implication this has for schools. In the present market-oriented context in education, there are a number of dilemmas facing schools that attempt to include all pupils and at the same time respond to the current focus on academic achievement in a national climate of competition and accountability. The book offers practical examples of ways to resolve these dilemmas at the level of the LEA, the school, the classroom and the individual child. Part One gives an overview of special and inclusive education, current thinking around issues related to

equal opportunities, and how this affects schools. It also illustrates how one Local Education Authority has tried to promote a policy of inclusion in its schools. Part Two includes a discussion of the challenges facing teachers in schools who attempt to put current national policies related to inclusion into practice and provides practical examples of whole-school and classroom initiatives to support the learning of groups of pupils and individuals within them. Included are chapters on professional development for teachers of special educational needs, classroom strategies for teacher and pupil support teachers and advice on differentiation, OFSTED and inclusive schools, the SENCO in the secondary school, and equal opportunities for all. This book will appeal to all teachers, SENCOs, head teachers and governors in every sector of the education system, parents, academics and course members on teachers' continuing professional development courses.
