**The Trailer Park Murder** Paul Austin Ardoin, 2023-12-05 A poisoned victim. A staged suicide. A small-town murder that hides big-time corruption. Federal investigator Bernadette Becker is officially following up on a suicide in the middle of nowhere, using the open-and-shut case to dig deeper into a long-cold mystery. But the minute she steps onto the scene, something doesn't add up. The victim, a retiree and birdwatcher shot at in his home, seems to have died from something far

more sinister: poison. With local law enforcement eager to close the case and call the death self-inflicted, Becker and her partner, brilliant but impossible toxicologist Dr. Kep Woodhead, push deeper. What they find leads them far beyond a dusty trailer and into the heart of a growing battle over land, power, and protected wildlife. From a shady mining company to a secretive scientist, and from backcountry deals to federal land rights, nothing is as straightforward as it seems. And someone doesn't want them asking questions. Vitaphone Films Roy Liebman, 2003 The headline of the *Variety* extra on October 27, 1926, proclaimed Vitaphone Thrills L. A.! Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or have been carefully restored, preserve much of show business history that might have been lost with the advancements in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926–1940) are listed first, followed by the West Coast productions (1927–1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers include only those who appeared in shorts, listing dates and places of birth if known.
