Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Black Tax Niq Mhlango, 2019-09-12 'The real significance of this book lies in the fact that it tells us more about the everyday life of black South Africans. It delves into the essence of black family life and the secret anguish of family members who often battle to cope.' - Niq Mhlango A secret torment for some, a proud responsibility for others, 'black tax' is a daily reality for thousands of black South Africans. In this thought-provoking and moving anthology, a provocative range of voices share their deeply personal stories. With the majority of black South Africans still living in poverty today, many black middle-class households are connected to working-class or jobless homes. Some believe supporting family members is an undeniable part of African culture and question whether it should even be labelled as a kind of tax. Others point to the financial pressure it places on black students and professionals, who, as a consequence, struggle to build their own wealth. Many feel they are taking over what is essentially a government responsibility. The contributions also investigate the historical roots of black tax, the concept of the black family and the black middle class. In giving voice to so many different perspectives, *Black Tax* hopes to start a dialogue on this widespread social phenomenon.

The 5 Disciplines of Inclusive Leaders Andrés T. Tapia, Alina Polonskaia, 2020-10-20 Diversity initiatives are falling short. This book shows leaders how to develop the skills needed to build sustainably inclusive organizations using a tested, research-based model developed by the global organizational consulting firm Korn Ferry. According to the journal *Human Resource Management*, companies are spending over \$8 billion a year on diversity programs. Yet today, the senior leadership teams at Fortune 500 companies are far from mirroring the diversity of its workforce and its customers. Andrés Tapia and Alina Polonskaia, senior leaders at Korn Ferry, argue that to build sustainable diversity and inclusion, organizations need to have inclusive leaders at all levels. In this book, Tapia and Polonskaia draw on Korn Ferry's massive database of 3 million leadership assessments to reveal the essential qualities of inclusive leaders. They discuss the personality traits these leaders share and detail how to develop what they call the five disciplines of inclusive leadership: building interpersonal trust, integrating diverse perspectives, optimizing talent, applying an adaptive mindset, and achieving transformation. Tapia and Polonskaia also outline the competencies behind each discipline, describe individual and organizational exemplars of inclusive leadership, and show how the five disciplines enable leaders to unleash the power of all people and to build both structurally and behaviorally inclusive organizations. This book will help leaders foster the skills to deal with today's complex challenges and create a more inclusive, sustainable, and prosperous future for all of us.

Prohibido nacer: Memorias de racismo, rabia y risa. / Born a Crime: Stories from a South African Childhood Trevor Noah, 2019-09-03 MÁS DE UN MILLÓN DE EJEMPLARES VENDIDOS NOMBRADO UNO DE LOS MEJORES LIBROS DEL AÑO POR Michiko Kakutani, New York Times • USA Today • San Francisco Chronicle • NPR • Esquire • Newsday • Booklist La impresionante trayectoria de Trevor Noah, desde su infancia en Sudáfrica durante el apartheid hasta el escritorio de The Daily Show, comenzó con un acto criminal: su nacimiento. Trevor nació de un padre suizo blanco y una madre Xhosa negra, en una época de la historia sudafricana en que tal unión era castigada con cinco años de prisión. Como prueba viviente de la indiscreción de sus padres, Trevor permaneció los primeros años de su vida bajo el estricto resguardo de su madre, quien se veía obligada a tomar medidas extremas —y, a veces, absurdas— para ocultar a Trevor de un gobierno que podría, en cualquier momento, llevárselo. Prohibido nacer es la historia de un niño travieso que se convierte en un joven inquieto mientras lucha por encontrarse a sí mismo en un mundo en el que nunca se suponía que debía existir. También es la historia de la relación de ese joven con su intrépida, rebelde y ferviente madre religiosa: su compañera de equipo, una mujer decidida a salvar a su hijo del ciclo de pobreza, violencia y abuso que en última instancia amenazaría su propia vida.
