The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-

access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling

anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Hemingway and the Natural World Robert Edward Fleming, 1999 Distributed by the University of Nebraska Press for the University of Idaho Press This collection, the first consolidated effort to study Hemingway's relationship to the natural world, is essential for everyone interested not only in a key figure of twentieth century American literature, but also in the vital inheritance he bequeathed to a world whose own relationship to nature is increasingly conflicted.

The Book of Love, 1996 The late John Cheever once insisted that saving a letter is like trying to preserve a kiss. Luckily for us, the loved ones of great writers ranging from Sappho to Anne Sexton, from Anton Chekhov to Mr. Cheever himself have ignored that clever dictum. In more than one hundred of the most powerful, witty, wicked and whimsical letters ever written, we chronicle passion's erratic progress. Why should Marcus Aurelius's amorous words sit side by side with John Steinbeck's letter to the woman who inspired much of his late work? Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own, a genre whose language may have changed from ancient Rome to twentieth-century America but whose basic form and content remain the same. For if all literature is a kind of seduction, then the love letter becomes the perfect vehicle for writers to hone their seductive skills. With novelistic flair, Ms. Davidson has arranged these letters as though they were all part of one romance - a romance in which any of us may have played a part. From the joy of Falling in Love to the pain of Unrequited Love, we chart the evolution of that most hard-to-define emotion. These pages are filled with glorious examples of writers being just like the rest of humanity, to wit: willing to stake so much on what at times seems like nothing more than a promise and an act of faith. How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier: This is a particularly gifted and intelligent pen. Look what it's writing now: I love you. That's a phrase I can't get out of my head - but I don't want to. I've wanted to try it out for a long time; I like the look of it and the sound of it and the meaning of it. Of course what writers do better than anyone else is to write about love. Through Ms. Davidson's deft touch, *The Book of Love* becomes a treasure

trove of literary discovery. She

Whatever...Love Is Love Maria Bello, 2015-04-28 The acclaimed actress and dedicated activist shares her personal journey of discovery, and destroys outdated ideas about partnership, love and family that will resonate with anyone in an unconventional life situation. Actress and activist Maria Bello made waves with her essay, "Coming Out as a Modern Family," in the New York Times popular "Modern Love" column, in which she recalled telling her son that she had fallen in love with her best friend, a woman—and her relief at his easy and immediate acceptance with the phrase "Whatever Mom, love is love." She made a compelling argument about the fluidity of partnerships, and how families today come in a myriad of designs. In her first book, Bello broadens her insights as she examines the idea of partnership in every woman's life, and her own. She examines the myths that so many of us believe about partnership—that the partnership begins when the sex begins, that partnerships are static, that you have to love yourself before you can be loved, and turns them on their heads. Bello explores how many different relationships—romantic, platonic, spiritual, familial, educational—helped define her life. She encourages women to realize that the only labels we have are the ones we put on ourselves, and the best, happiest partnerships are the ones that make your life better, even if they don't fit the mold of "typical." Throughout this powerful and engaging read, Bello shares intimate stories and lessons on how she has come to discover her happiest self, accept who she is, and live honestly and freely, and tells the stories of those who came to her after her Times' columns, grateful that someone gave voice to their life choices. *Whatever...Love Is Love* is not a memoir about an actress. It is a frank, raw, and honest book about the way every woman questions the roles she plays in love, work, and life, filled with wisdom, questions, and insights relevant to us all.

Ernest Hemingway's A Farewell to Arms Charles M. Oliver, 2005 Discusses American writer Ernest Hemingway and his novel *A Farewell to Arms*. Presents the background of the work, the history of its writing, the reception to it, and its reputation.

American Declarations of Love Ann Massa, 1990

Consuming Passions Robert F. Forman, 1994

Love in Good Time Claire Robson, 2003 The world of the Robson family is a complicated mixture of suffocation and strength, and Claire's parents' lives are as small and safe as they can make them. A mother who wants her daughter to fulfill her own dreams and a daughter who wants to be everything her mother is not--both may love each other, but neither understands the other. Claire Robson escapes her village and her family through a scholarship to university, where she easily becomes a hippie, marries the son of a family far wealthier than her own, and plunges headlong into domesticity. But before long she leaves her husband and rides her motorcycle straight into the lesbian community to become first a squatter, then a school principal. This memoir reads like a novel, and is by turns laugh-out-loud funny and heartbreakingly poignant. It is a

coming out story that tackles the trade-offs some gay people make after they leave the closet and choose acceptance instead of activism, work instead of sex, success instead of happiness, and silence instead of truth. While this may not seem to be everyone's story, the author's courage, honesty, warmth, and humor make it an unquestionably universal one.
