*Kissing & Telling* C Hallman, J L Beck, 2020-05-30 Everyone knows the rules of friendship, right? Rule #1: Don't kiss your best friend. Rule #2: Don't have sex with your best friend. Rule #3: Don't pretend like it didn't happen the next day. Bailey Renshaw is my best friend. Kind. Sweet as a peach, and so beautiful it should be a crime. Since we were kids I've wanted her, and one time when we were nothing more than teenagers I kissed her. It was the first mistake I ever made in our friendship. Giving her my heart and hoping she felt the same were my second and third. That night she broke me, ripped my heart out of my chest and stomped on it. Anyone else would've hated her for it, but it only made me value her more, and realize that I would do anything I could to keep her in my life even if it was only as a friend and nothing more. As a permanent resident of the friend zone, I promised myself that I would never cross that line again no matter how badly I wanted to, and I wanted to, badly. Every time she smiled at me, licked her pink lips, or flashed her doe eyes my way I came a little closer to breaking the rules again... but I didn't. I couldn't do that to us. Until one night when we decided to break the rules together. One Earth shattering night together and I knew nothing would ever be the same. Friends, or lovers? I don't know what we are anymore. The rules no longer apply to us. Now the only question is, can we fix what we had before it's too late or is our friendship over for good? And all because of one single kiss? \*\*Complete standalone with a happily ever after. Don't miss out on all the gooey goodness this book has to offer. \*\*

*Always Been Write* Jami Rogers, 2024-07-29 Writing a spicy romance novel with your best guy friend isn't a problem. Picturing him as you write the steamy scenes ... now that could get complicated. Tobias Banks is a bestselling romance author and my best friend. He's smart, brilliant, and kind-hearted. He has never shown an interest in settling down, and he's the one constant in my life I know I can depend on for anything. So it shouldn't surprise me that as soon as my personal life shatters, he's there, picking up the pieces and reminding me who I am. In a matter of days, we are back to our lively banter. I'm living in his spare room, and now, he's helping me achieve my lifelong dream of writing a romance novel. Life feels good again, free ... except I'm not looking at him as the friend whom I used to pull all-night study sessions with during college. Nope, I'm looking at him as the man who walks into the kitchen each morning shirtless, smirks when I say something he likes to hear, wears shirts that hug his arms a lot tighter than I remember, and looks at me as if I'm his next meal. Falling for my best friend isn't smart. I can't lose him, but if I've learned anything since we set out on this journey together, it's that love doesn't make the rules; we do. And we only get one chance to do it right.

My one and only friend- my mom's chef, Marie- persuades me to leave the safety of my home and travel somewhere I've never been. I decide to take a trip to a secluded cabin in Alaska for a month, intending on listening to my fantasy audio books and sitting in

front of a cozy fireplace for four weeks. When I arrive, I don't expect the cabin owners son to be the one helping me around during my stay. He's got the whole bad boy vibe about him: sarcastic, tattooed, and moody. He's kind of an asshole. Something happens one night and we become friends, but I want more. Especially when he lets me touch him. KIT Willow. The beautiful girl who's renting my Dad's cabin. Beautiful, bookish, and blind. That's why I'm helping her for the next month. I'm only doing this job because my Mom kicked me out of her house for getting into some legal trouble. Again. I'm making some money helping Dad with the cabin renters here in freeze-my-balls-off, Alaska. Willow is different than the girls I'm used to back home. I like that she's quirky and has a wild obsession with fantasy novels. She also makes it so damn hard to be just friends. She wants me, but I don't want to fuck up what we have with sex. So I resist her. Until I can't. NOTE: This is a STANDALONE and can be read by itself with NO CLIFFHANGERS. There will be a second book in the series about Kit's father, Pike Stellan.

*Friends to Lovers* Preston Walker, 2017-11-15 I have something to tell you, Dylan replied. He looked away, regarding the silvery water a short distance away. And you have to promise that you'll...that you won't do anything rash. Uh-oh. But, he could take it. He had to take it. He kept his gaze fixed on his best friend. I'm ready. What's on your mind, Dilly? For a moment, Dylan said nothing. And then he sighed. I'm pregnant. The word seemed to have no meaning; it was only a sound, if an astonishing one. It was a word too large to have only one meaning, to be confined to a single purpose. Dylan was pregnant? Oh, was all Ryan could manage. Someone has stolen a werewolf child... Ryan Castle is the leader of his pack, sworn to protect the wolves who follow him with his life. If that means testing out a magical wishing well for himself, so be it. The well is supposed to show wolves their true mates, and he's a dedicated bachelor... so, what can it hurt? Omega Dylan Johnson has been in love with his alpha best friend since childhood, but Ryan is entirely unaware of his feelings. Dylan has moved on with his life... he now has a son and an ex-wife. Yet, still, he pines after the man who has been with him all along. When the opportunity comes for the two to take a trip together, Dylan jumps at the chance - but just when it seems like he might finally get an opportunity to make his move, horror strikes: he receives word that his son has gone missing. When a leisurely trip turns tragic, two men race against time to find a missing child before it's too late. As old memories are brought to light, new discoveries are made and long-held secrets are revealed, no one involved will ever be the same. This 100,000-word wolf shapeshifter gay love story tells the tale of a one-sided love that might not be so one-sided after all. When the safety of a young wolf child hangs in the balance, the passions and emotions between two lifelong friends will come to a boil. The steam rises to sweltering heights in *Friends to Lovers*, a gay romance novel intended for adults only.

**Books and Suits** S C Principale, 2022-09-12 What happens when two best friends leave the friend zone behind? Amanda Gardella and Joel Martin were best friends growing up in the same suburban town. Secure in the knowledge that they could

defy the stereotype that boys and girls can't be best friends, they steadfastly resisted the lure of being high school steadies-even if they fed the rumor mill a little too much! They were sure they'd always have time for each other as adults-but Amanda followed the books, becoming a librarian at the local university. Joel followed the suits, leaving town to join a high-pressure investment firm in the city. Time, distance, and a little bit of resentment that Books and Suits came between them, Amanda and Joel's close relationship dwindled to little more than wistful memories. Then, one day Joel's world gets turned upside down and he realizes there's only one person who can make things right again.

*Rebellious* Kristy Marie, 2021-04-27 From best-selling author, Kristy Marie, comes *Rebellious*, the highly anticipated love story of star-crossed lovers, Aspen and Bennett-characters from the international best-selling novel, *IOU*. A love... Controlled by guilt... Contained by rules... One summer will change everything... No kissing. No cuddling. No blah, blah, blah. He wrote the rules onto our skin-every ink stroke tragically smeared by the lines we'd crossed. He claimed it was the only way we could be together-the only way we wouldn't destroy our families. But there was an exception to his rules-one he never saw coming. All I needed was opportunity and a sunburn. The girl who played by his rules is gone. This girl... is not his friend.

*BFF'ed: A Friends-to-Lovers Romance* Kate Aster, Mason Adler: Hot. Cocky. Sugar-coated Bad Boy. The type of man who knocks the big "O" clear to the front of the alphabet every time. Wrap up that eight-pack with Navy khakis and top it off with a shiny SEAL Trident, the kind that makes the girls swoon. That's Mason. My best friend. For me, he's off limits. Now that I've finished college, I need to focus on my writing career. And without his help, I don't stand a chance. But I need something from him. Something only he can give me. So I'll pull the blinds. I'll toss my inhibitions. I'll call it "research." And I won't let my heart get involved, especially with him leaving at the end of the week. Leaving me ... even though my very soul is still in his grasp.
