Too Young for Cancer Katie Coleman, 2024-11-12 A stage IV cancer survivor reflects on treatment and recovery in this inspiring memoir that reveals the biases of the healthcare system—and the power of community. New Year's Eve 2020 was supposed to be a turning point to better days for twenty-nine-year-old Katie Coleman. Instead, she found herself in the ER processing the earth-shattering news of a stage IV cancer diagnosis, one that had come after years of being assured she was “too young for cancer” and a repeated misdiagnosis of anxiety. Too Young for Cancer tells the story of Katie’s journey from diagnosis with an ultrarare cancer through treatment, recovery, and a life-altering shift in perspective. Katie starts her journey shy, timid, and frightened of an intimidating medical world, but as she learns how to advocate for herself, she faces her own mortality with bravery and finds herself at top cancer institutions arguing her case for a radical and high-risk surgery that could change her life forever. With support from her husband, innovative doctors, and a diverse community of cancer survivors, Katie finds her life’s purpose to advocate not only for herself but also for others who are fighting just as hard for their lives. Too Young for Cancer highlights the absolute best and worst in healthcare and uncovers the silver linings and beauty of humanity filling the space in between.

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
