

Irving Stone Novel About Michelangelo

Irving Stone

The Agony and The Ecstasy Irving Stone,1963

The Agony and the Ecstasy Irving Stone,1961 A novel of Michelangelo who was the creator of David, painter of the Sistine ceiling, and architect of the dome of St. Peter's.

The Agony and the Ecstasy Irving Stone,1967

The Agony and the Ecstasy Irving Stone,1963-01-01 Celebrating the 500th anniversary of Michelangelo's David, New American Library releases a special edition of Irving Stone's classic biographical novel-in which both the artist and the man are brought to life in full. A masterpiece in its own right, this novel offers a compelling portrait of Michelangelo's dangerous, impassioned loves, and the God-driven fury from which he wrested the greatest art the world has ever known.

The Agony and the Ecstasy Irving Stone,1963-01-31 Celebrating the 500th anniversary of Michelangelo's David, New American Library releases a special edition of Irving Stone's classic biographical novel-in which both the artist and the man are brought to life in full. A masterpiece in its own right, this novel offers a compelling portrait of Michelangelo's dangerous, impassioned loves, and the God-driven fury from which he wrested the greatest art the world has ever known.

The Agony and the Ecstasy Irving Stone,1976

The Agony and the Ecstasy Irving Stone,2001 A biographical novel of Michelangelo Buonarroti, creator of David, painter of the Sistine ceiling and architect of the dome of St Peter's; it is set in renaissance Italy, a time of poisoning princes, warring popes and the all-powerful de'Medici family and tells of Michelangelo's loves and art.

The Agony and the Ecstasy. A Biographical Novel of Michelangelo. (Fifth Impression.). Irving Stone,1965

I, Michelangelo Irving Stone,1972-04-01

Depths of Glory Camille Pissarro ,1985

Michelangelo Irving Stone,2004-10-01 Florencia, 1488. Hijo de una familia acomodada, Michelangelo tiene trece años cuando ingresa en el taller del maestro Ghirlandaio. A su padre siempre le había disgustado esa pasión por la pintura ya que deseaba para su hijo una carrera más lucrativa. Pero impresionado por la genialidad de Michelangelo, su maestro, en lugar de cobrarle, pagará al padre para que le deje enseñar al muchacho y conseguirá así vencer la inicial reticencia del hombre. De este modo empieza la trayectoria de uno de los más grandes artistas de todos los tiempos. Gracias a una minuciosa

recreación histórica, la narración nos conduce hasta la Italia del Renacimiento. Todo el esplendor y el dramatismo de una época clave para la cultura humana enmarcan este fascinante retrato de uno de los artistas más geniales de todos los tiempos. Autor de memorables biografías noveladas de personajes famosos, Irving Stone nos deleita esta vez con la vida de Miguel Ángel Buonarroti, el inmortal creador de Moisés y de David, pintor de la Capilla Sixtina, y arquitecto de la basílica de San Pedro.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A&E's Biography, best-selling autobiographies, and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures from scientists and writers, to political and military leaders, to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

The Agony and the Ecstasy. The Biographical Novel of Michelangelo. A Condensation ... Illustrations by Giorgio De Gaspari. Chapter Decorations by James Alexander Irving Stone, 1962

Michelangelo's Mountain Eric Scigliano, 2007-11-01 Discover the fascinating, crucial, and often dangerous relationship between Michelangelo and the stone quarries of Carrara in this clear-eyed and well-researched exploration that "recounts the artist's large life and lasting works with care and reverence" (Booklist). No artist looms so large in Western consciousness and culture as Michelangelo Buonarroti, the most celebrated sculptor of all time. And no place on earth provides a stone so capable of simulating the warmth and vitality of human flesh and incarnating the genius of a Michelangelo as the statuario of Carrara, the storied marble mecca at Tuscany's northwest corner. It was there, where shadowy Etruscans and Roman slaves once toiled, that Michelangelo risked his life in dozens of harrowing expeditions to secure the precious stone for his Pietà, Moses, and other masterpieces. Many books have recounted Michelangelo's achievements in Florence and Rome. Michelangelo's Mountain goes beyond all of them, revealing his escapades and ordeals in the spectacular landscape that was the third pole of his tumultuous career and the third wellspring of his art. Eric Scigliano brings this haunting place and eternally fascinating artist to life in a sweeping tale peopled by popes and poets, mad dukes and mythic monsters, scheming courtiers and rough-hewn quarrymen. He recounts the saga of the David, the improbable masterpiece that Michelangelo created against all odds, of the twin Hercules that he tried to erect beside it, and of the Salieri-like nemesis who snatched away the commission, turning a sculptural testament to liberty into a bitter symbol of tyranny and giving Florence the colossus it loves to hate. In showing how the artist, land, and stone transformed one

another, Scigliano brings fresh insight to Michelangelo's most cherished works and illuminates his struggles with the princes and potentates of Carrara, Rome, and Medici Florence, who raised intrigue to a high art.

A Journey Into Michelangelo's Rome Angela K. Nickerson, 2010-07-30 A Journey into Michelangelo's Rome follows Michelangelo from his arrival in Rome in 1496 to his death in the city almost seventy years later. It tells the story of Michelangelo's meteoric rise and artistic breakthroughs, of his tempestuous relations with powerful patrons, and of his austere but passionate private life. Each chapter focuses on a particular work that stunned his contemporaries and continues to impress today's visitors. From the tender sorrow of his sculpted Piet, to the civic elegance of his restoration of Capitoline Hill, to the grandeur of his dome atop St. Peter's, Michelangelo's work adorns the city in numerous ways.

The New York Times Book Review ,1981

The Passions of The Mind Irving Stone, 1972

Narratives of Loneliness Olivia Sagan, Eric Miller, 2017-09-28 Rising life expectancies and declining social capital in the developed world mean that an increasing number of people are likely to experience some form of loneliness in their lifetimes than ever before. Narratives of Loneliness tackles some of the most pressing issues related to loneliness, showing that whilst recent policies on social integration, community building and volunteering may go some way to giving an illusion of not being alone, ultimately, they offer a rhetoric of togetherness that may be more seductive than ameliorative, as the condition and experience of loneliness is far more complex than commonly perceived. Containing thought-provoking contributions from researchers and commentators in several countries, this important work challenges us to rethink some of the burning issues of our day with specific reference to the causes and consequences of loneliness. Topics include the loneliness and mental health of military personnel, loneliness and social media, loneliness and sexuality, urban loneliness, and the experiences of transnational movement and adopted children. This book therefore makes an overdue multidisciplinary contribution to the emerging debate about how best to deal with loneliness in a world that combines greater and faster connectedness on the one hand with more intensely experienced isolation on the other. Since Émile Durkheim first claimed that the structure of society could have a strong bearing on psychological health in the 1890s, researchers in a range of disciplines have explored the probable impact of social context on mental health and wellbeing. Interdisciplinary in approach, Narratives of Loneliness will therefore be of great interest to academics, postgraduate students and researchers in social sciences, the arts, psychology and psychiatry.

The Origin Irving Stone, 1980 Details the life of Charles Darwin from his notable trip as a naturalist on the Beagle through his mature career as a widely respected but still controversial scientist.
