Mom in the Movies Richard Corliss, Turner Classic Movies, Inc., 2014-04-08 Featuring more than one hundred photographs and film stills, a guide to mothers in film, presented by a film historian and critic and Turner Classic Movies, shows the many ways that Hollywood has celebrated, vilified, and poked good fun at mothers.

Hell and Back Optimum Vizhan, 2020-09-21 This is my Hell and Back story. I was in two wars; one with Korea and one with my wife. My story starts during the Great Depression of the Twentieth Century; on my father's self-sustaining farm. Before the age of five, my family's pet sheep, rammed my forehead into the tractor's steel wheel; leaving a visible "V" scar, on my head for the rest of my life. This "V" was proof; that God would give me victory, over hell throughout my life. Be it near death experiences; on the farm, in war, driving vehicles, building homes, marriage, heart attack, multiple bypasses and the lost of my free movie sweet heart. I learned how to be at peace with myself and God. This peace allowed me to face my hells head on; witness God walking me through them, establish me again and take me through the next season of my life. My Story finishes, with it being a navigational inspiration tool; that guides us and the generations to come, through our hell and backs. Included are my Hell and Back Survival Tips™ that guided me through my two wars. Plus the Law of Unconditional Love, I discovered while in my two wars.

Stocker Hill Dale R. Lentz, 2024-10-08 Stocker Hill is the largest hill in the valley. Its rugged peaks, voluptuous trees and brush also make it the most beautiful. As other hills in the valley lose their identity when the summer comes to an end, Stocker Hill holds onto its personality far into winter. It stands powerful and sturdy as the town of Walcott lays at its feet. Like all small towns, everyone knew everyone else's business – at least they thought so. John, Brad, Rob, and Reed share a burning curiosity about the grave on Stocker Hill. The four boys were up to some trouble. A visit to Harold's garage would change their lives forever, like their fathers before them. They feared what was ahead of them but there was no turning back now. About the Author Dale R. Lentz is a father of three; two boys and a girl along with being the youngest of five. The hobby of writing took its toll with the end result of this book and hopefully many more to follow. Along with writing, Dale gets lost in wood working projects by creating something interesting out of unique pieces of wood.

Superwoman's Child is an eye-opening novel chronicling one teenage son's struggle with his trouble-filled life. Growing up the only male in a house full of women is no easy task. This is the life of Sean Morris, a 12 year old boy with an absent father and troubles at school. Even though he hasn't seen his father since he was two years old, Sean still wonders if his father will ever be there for him. Sure to resonate with parents and teenagers alike, Superwoman's Child is by turns humorous and heart-wrenching.

Mommy's Locked in the Bathroom Cynthia W. Sumner, 2003 Time to yourself is at a premium when you're the mother of a little one...or little ones. The bathroom may be the one place in the house where you can find a moment of solitude. But you may be going too far when you find a permanent wrinkled prune effect on your fingers from spending just a few minutes longer in the tub! Author Cynthia Sumner is here to help. Offering practical wisdom with a healthy dose of humor, she relates the stresses that mothers face as they come to terms with the critical role they play in guiding young lives. Covering the noise, activity, and messes of children to the personal dreams, goals, desires, and relationships of adult women, Mommy's Locked in the Bathroom encourages moms to nurture themselves as they also nurture their kids. Here is bathtub reading that'll give you a boost once that door is unlocked! Book jacket.
