Simon Grave and the Wrath of Grapes Len Boswell,2023-03-09 Detective Simon Grave's tour of a local winery turns sour when a body is discovered in the fermentation tank for his favorite wine, Duct Tape Chardonnay. To solve the murder, he and his team of fellow detectives will have to question strangers, a long-lost love, and his choice in wines. Publishers Weekly describes Boswell's PenCraft Award-winning series as a genre-defying adventure, a sort of cozy, sort of sci-fi, sort of paranormal, always-funny series set in the quirky seaside town of Crab Cove. As with all Simon Grave mysteries, simdroids (androids who resemble famous people) play a critical role in solving the crime. Expect humorous takes on the advance of technology, the effects of global warming, and nothing less than the meaning of life, death, love, and loss. Get ready for a fun read. The year is 2054, and the future is filled with mystery.

Bitterkomix 15 Conrad Botes,2008 Social commentary and political satire are presented through critically acclaimed

graphics and confrontational illustrations in this brilliant and outrageous collection. Marked by an all-encompassing irony, a destruction of cultural taboos, and a love of cutting edge graphic art, the collection is a testament to the contentious history of Bitterkomix and its attacks on the Afrikaner culture and language that have developed into biting criticisms on South African society itself.

Off Broadway Musicals, 1910-2007 Dan Dietz,2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
