Becoming Bearheart Patti A Williams, 2019-03-06 Sometimes, it takes profound change to move us forward, out of our comfort zone, and into the place where true wisdom lies. However, when this change comes in the form of a traumatic event, it can shake the very foundation on which one has built trust and security. In a gripping memoir, Patti Williams chronicles her life from the horrifying moment in March 1986 when she learned her mother had been murdered through the aftermath as the world she knew slowly began to fall apart. Overwhelmed with profound feelings of loss, heartache, and abandonment, Patti embarked on a spiritual journey that took her to the deepest, darkest places of her soul where she had to courageously battle to find her way back into the light and onto a path of peace. Led by the spirit of her mother, Patti discloses how she eventually connected with her inner-warrior to rediscover her personal power, the meaning of self-love, and ultimately her true life's destiny. *Becoming Bearheart* is the inspiring true story of one woman's journey to connect with the strongest version of herself and heal from personal trauma.

How to Love the Empty Air Cristin O'Keefe Aptowicz, 2018-05-07 New York Times bestselling nonfiction writer and poet Cristin O'Keefe Aptowicz's *How to Love the Empty Air* reaches new heights in her revelatory seventh collection of poetry. Continuing in her tradition of engaging autobiographical work, *How to Love the Empty Air* explores what happens when the impossible becomes real?for better and for worse. Aptowicz's journey to find happiness and home in her ever-shifting world sees her struggling in cities throughout America. When her luck changes?in love and in life?she can't help but "tell the sun / tell the fields / tell the huge Texas sky.... / tell myself again and again until I believe it." However, the upward trajectory of this new life is rocked by the sudden death of the poet's mother. In the year that follows, Aptowicz battles the silencing power of grief with intimate poems burnished by loss and a hard-won humor, capturing the dance that all newly grieving must do between everyday living and the desire "to elope with this grief, / who is not your enemy, / this grief who maybe now is your best friend. / This grief, who is your husband, / the thing you curl into every night, / falling asleep in its arms..." As in her award-winning *The Year of No Mistakes*, Aptowicz counts her losses and her blessings, knowing how

despite it all, life “ripples boundless, like electricity, like joy / like... laughter, irresistible and bright, / an impossible thing to contain.”

Motherless Daughters Hope Edelman, 2006-03-21 The classic New York Times bestseller that has helped millions of women cope with and heal from the grief of losing their mothers Although a mother's mortality is inevitable no book has discussed the profound lasting and far reaching effects of this loss until Motherless Daughters, which became an instant classic. More than twenty years later, it is still the go-to book that women of all ages look to for comfort, help, and understanding when their mother dies. Building on interviews with hundreds of mother loss survivors, Edelman's personal story of losing her mother, and recent research in grief and psychology, Motherless Daughters reveals the shared experiences and core identity issues of motherless women: Why the absence of a nurturing hand shapes a woman's identity throughout her lifespan How present day relationships are defined by past losses How a woman can resolve past conflicts and move toward acceptance and healing Why grief really is not a linear passage but an ongoing cyclical journey How the legacy of mother loss shifts with the passage of time

Dying to Teach Jeffrey Berman, 2012-02-01 In Dying to Teach, Jeffrey Berman confronts the most wrenching loss imaginable: the death of his beloved wife, Barbara. Through four interrelated narratives—how Barbara wrote about her illness in a cancer diary, how he cared for her throughout her illness, how his students reacted to his disclosure that she was dying, and how he responded to her death—Berman explores his efforts to hold on to Barbara precisely as she was letting go of life. Intensely personal, Dying to Teach affirms the power of writing to memorialize loss and work through grief, and demonstrates the importance of death education: teachers and students writing and talking about a subject that, until now, has often been deemed too personal for the classroom.

Voice of Glory Thomas E. Douglass,2017-07-10 Hailing from the small river town of Moundsville, West Virginia, Davis Grubb (1919–1980) became a key figure in the canon of Appalachian literature. The author of ten novels and dozens of short stories and radio plays, Grubb's writings, as Tom Douglass observes, "catalogued his life"—and a turbulent life it was, marked by the traumatic loss of both the family home and his father during the Great Depression, the overbearing affections of his mother, the fear of failure, painful struggles with alcohol and drug abuse, profligate spending, and a conflicted sexuality. Grubb originally aspired to be a visual artist but, thwarted by color blindness, turned to writing instead, honing his skills in the advertising industry. Today he is best remembered for his first novel, *The Night of the Hunter* (1953), a gripping story of a Depression-era serial killer and his pursuit of two young children along the Ohio River. This book spent twenty-eight weeks on *The New York Times* best-seller list and became the basis for a classic film directed by Charles Laughton, starring Robert Mitchum, Shelley Winters, and Lillian Gish. While his subsequent work never achieved that same level of popularity, the fierce thematic oppositions he set forth in his debut novel—between love and hate, good and evil, the corrupt and the pure, the rich and the poor—would inform his entire oeuvre. Although Grubb's career took him to the great cities of

New York, Philadelphia, and Los Angeles, his work was always rooted in key emblems of his Appalachian childhood—the river, the state penitentiary, and the largest Indian mound east of the Mississippi, all in his native Moundsville. In his works, Douglass asserts, Grubb was “an avenging angel, righting the wrongs of the past in his own life, in his own country, and putting trust in his own vision of divine love.” Off the page, he was riven by personal demons, “more than once in danger of losing his life to self-annihilation and to the self-accusation that he was a fallen angel.” This biography, the first ever written of Grubb, captures his life and work in all their intriguing complexity. THOMAS E. DOUGLASS, an associate professor of English at East Carolina University, is the author of *A Room Forever: The Life, Work, and Letters of Breece D’J Pancake*. He is also the fiction editor for the University of Tennessee Press’s Appalachian Echoes series.
