

Oracion De Neuroticos Anonimos

Osvaldo Jorge Nadal

Redacción sin dolor (Séptima edición) Sandro Cohen, 2022-07-26 Después de 28 años y más de 200 000 lectores, Redacción sin dolor se ha convertido en un libro esencial para quienes desean redactar mejor. Aquí se aprende sin angustia desde los usos de la coma y el punto hasta que es y cómo se utiliza el pluscuamperfecto. No importa si eres estudiante, profesor o autodidacta. Redacción sin dolor es tu mejor herramienta para resolver tus dudas respecto al idioma y para comunicarte mejor. Esta nueva edición forma parte de la Biblioteca Sandro Cohen, colección creada en homenaje a su autor. Las actualizaciones incluyen: Un apartado dedicado a las oraciones copulativas, antes oraciones de predicado nominal. Los seis pasos para pasar de voz activa a voz pasiva. Un resumen al final de cada capítulo para facilitar el uso del libro como obra de consulta. En la actualidad pasamos más tiempo escribiendo que hablando por lo que este manual continuará siendo un aliado para hacerlo cada vez mejor y en menos tiempo.

Humanos - manual de usuario Osvaldo Jorge Nadal, 2024-04-01 Eres realmente tu? o una construcción de lo que todo el mundo ha querido que seas? Te preguntaste si alguna vez quienes te criaron sabían lo que hacían? o simplemente estaban proyectando en ti su ignorancia, sus frustraciones y sus temores? Que historia te cuentas para justificar la mediocridad de tus actos? Este libro es un cachetazo a tu mediocre vida.

Anti-psicología positiva Julio Alfonso Piña López, 2021-02-15 En la actualidad la psicología positiva ha tenido una amplia difusión no solamente en la comunidad científica sino también en la sociedad en general, ya que uno de sus campos más importantes es el estudio del sentimiento de felicidad o bienestar que perciben las personas independientemente del ambiente en donde viven. Este libro es una aportación importante y controversial de dicha temática, como lo señala Luis Fernandez-Rios autor del prólogo, convirtiéndolo en un inteligente intento de realizar una aproximación crítica acerca de la psicología de la positividad, bajo el respaldo epistemológico de la denominada Anti-Psicología Positiva. Desde este punto de referencia se considera que los psicólogos positivos construyen teóricamente primero un ser humano desgraciado para posteriormente aportar soluciones mágicas sustentadas en narrativas literarias fantásticas que ocultan un negocio lucrativo que vende la ilusión de alcanzar un paraíso terrenal. Es una obra de referencia que pone al día con una visión fresca, novedosa y detallada las principales controversias surgidas en el seno de la ciencia sobre los postulados de la psicología positiva, rompiendo con la idea, como lo diría José R. Alonso, de que existe una mutación en los genes en nosotros los

hispanos que nos predispone en contra de la ciencia. Esta crítica de la psicología positiva se desarrolla a lo largo de cinco capítulos en el primero de ellos se aborda cómo la psicología positiva reinventa el paraíso terrenal. En el segundo se presentan las virtudes y las fortalezas de carácter necesarias para incursionar en la psicología positiva. El siguiente capítulo aborda la manera en la que se maneja el optimismo mediante la perversión del lenguaje en la psicología positiva. Posteriormente en el capítulo cuatro se hace una analogía de las intervenciones de la psicología positiva al compararlas con el divino arte de seducir con la palabra. El libro termina con una serie de reflexiones a manera de corolario.

Freak, y otros tormentos Adolfo Vergara Trujillo, 2002

Transforming Therapy Whitney L. Duncan, 2018-07-24 Oaxaca is known for many things--its indigenous groups, archaeological sites, crafts, and textiles--but not for mental health care. When one talks with Oaxacans about mental health, most say it's a taboo topic and that people there think you have to be crazy to go to a psychologist. Yet throughout Oaxaca are signs advertising the services of psicólogos; there are prominent conferences of mental health professionals; and self-help groups like Neurotics Anonymous thrive, where participants rise to say, *Hola, mi nombre es Raquel, y soy neurótica*. How does one explain the recent growth of Euroamerican-style therapies in the region? Author Whitney L. Duncan analyzes this phenomenon of psy-globalization and develops a rich ethnography of its effects on Oaxacans' understandings of themselves and their emotions, ultimately showing how globalizing forms of care are transformative for and transformed by the local context. She also delves into the mental health impacts of migration from Mexico to the United States, both for migrants who return and for the family members they leave behind. This book is a recipient of the Norman L. and Roselea J. Goldberg Prize from Vanderbilt University Press for the best book in the area of medicine.

La Madurez Según Jesucristo Miguel Angel Fuentes, 2016-06-16 En las páginas de este libro tratamos de exponer el Sermón de la montaña desde la perspectiva particular de la “concepción” del hombre maduro —perfecto— en la mente de Jesús. Nuestro Señor ha perfilado adecuadamente los principales rasgos de la madurez humana. Se trata de un ideal al que Él nos hace mirar con ojos llenos de esperanza y ánimo dispuesto a la conquista. Tales debemos intentar llegar a ser. Si los hombres conociesen y pusiesen en práctica las líneas directrices de Nuestro Señor podemos estar seguros que no tendríamos tantos problemas de inmadurez afectiva o intelectual, y que los conflictos psíquicos a los que la preciosa vida moderna nos ha acostumbrado —e insensibilizado— serían cuantiosamente menos. Jesús habla con autoridad porque Él mismo es el Hombre maduro por excelencia. La imagen que nos transmite es una imagen perfecta de sí mismo.

¡Los milagros sí suceden! Sergio Gaspar Mosqueda, 2022-12-25 Esta obra parte tanto de la experiencia de muchísimas personas que han visto y sentido a Dios, como de un versículo de la Biblia que resulta sanador por sí mismo: “Si tuvieran fe aunque fuera del tamaño de una semilla de mostaza, le dirían a esa montaña: ‘¡Muévete!’, y la montaña se movería” (Mateo 17:20). Aquí se habla de lo maravillosa que es la vida porque a diario interviene Dios en ella, siempre atento a nuestras

necesidades. Entonces, ¿por qué pensar que la existencia es un valle de lágrimas si a una noche de amargura y desesperación sigue un día luminoso? Pero ¿qué hay de aquellos que han sufrido algún tipo de abuso en la infancia que los ha dejado marcados de por vida? La buena noticia es que este libro también contiene una sanadora respuesta para todos ellos. ¡Entérate en estas páginas (o recuerda) las formas más sorprendentes en que Dios siempre acude en nuestra ayuda!

Adicciones, Paraísos E Infiernos Antonio Filipe Lourenço, 2011-07-22 Adicciones, Parasos e Infiernos, es un interesante viaje por el mundo del uso y abuso de sustancias. Es un viaje por caminos tortuosos, dolorosos y difíciles. Esta obra nos presenta tanto las bases mdicas y cientficas de los trastornos adictivos, al igual que el lado humano. El Dr. Loureno posee una vasta experiencia en este campo y despliega una gran habilidad al presentar sus ideas en una manera amena y humana. (Doctor Roberto Norniella, MD, FAPA, Director Clínico del Hospital del Oeste Central de Georgia) no quiero que mi testimonio est ausente de un libro tan valioso como el que nos est legando mi entraable amigo y salvador Doctor Antonio Loureno. Estoy de acuerdo con los puntos vertidos en esta obra y lo nico que lamento es que el autor no la haya trado a la luz antes de que yo me haya metido en el infierno del que logr salir con la ayuda de tan distinguido, dedicado y competente profesional. Su legado me est ayudando a ayudar a otros a recuperar su sanidad fsica y mental Gracias una vez ms Dr. Loureno y Seora Margarita. En nombre del suscrito y el de toda mi familia, que Dios Nuestro Seor les bendiga. Tu Colega y Amigo (Recuperado Annimo)

En este paisito nos tocó, y no me corró-- José Roberto Cea, 1989

Dolor crónico Anabella Barragán Solís, 2023-06-30 Este libro desarrolla la magnitud y el comportamiento del dolor crónico, da cuenta de la complejidad de este fenómenos social. El dolor no sólo es provocado por las lesiones tisulares, sino la afectación de la subjetividad emocional, que deviene en un drama social, vivencias condicionadas por tensiones sociales, económicas, familiares y de pareja, síntomas y signos entretejidos con el sufrimiento, por lo que se hace necesaria una comprensión integral de las personas.
