**The Rough Guide to Venice & the Veneto** Jonathan Buckley, 2013-01-17 The Rough Guide to Venice & the Veneto, long established as the most thorough and reliable guide to the city and its surroundings, has been completely redesigned and updated for this ninth edition. Unrivalled in its coverage of the Doge's Palace, the Basilica di San Marco and all the other major sights, the Rough Guide also reveals the treasures to be found in the districts that lie off the usual tourist trails - and has plenty of maps to make sure you find them easily. As well as being packed with stories that illuminate the city's history, the Rough Guide tells you more about the city as it is today than any other guidebook, with features on everything from flood-prevention projects to the travails of Venice's football team. It will tell you the best places to stay, eat and drink, in all price ranges, from backwater bars to gourmet restaurants, from homely B&Bs to spectacular Grand Canal hotels. Make the most of your time with The Rough Guide to Venice & the Veneto. Now available in PDF format.

**Italian Venice** R. J. B. Bosworth, 2014-09-30 In this elegant book Richard Bosworth explores Venice—not the glorious Venice of the Venetian Republic, but from the fall of the Republic in 1797 and the Risorgimento up through the present day. Bosworth looks at the glamour and squalor of the belle époque and the dark underbelly of modernization, the two world wars, and the far-reaching oppressions of the fascist regime, through to the “Disneylandification” of Venice and the tourist boom, the worldwide attention of the biennale and film festival, and current threats of subsidence and flooding posed by global warming. He draws out major themes—the increasingly anachronistic but deeply embedded Catholic Church, the two faces of modernization, consumerism versus culture. Bosworth interrogates not just Venice's history but its meanings, and how the city's past has been co-opted to suit present and sometimes ulterior aims. Venice, he shows, is a city where its histories as well as its waters ripple on the surface.

**Time Out Venice** Editors of Time Out, 2014-11-17 Think ‘Venice’, and images of gondolas drifting along misty canals and pigeon-feeding visitors dwarfed by the splendor of St. Mark's and its square come unavoidably to mind. If it's Venetian icons

of the sort you're looking for, this magical city will never disappoint. But for a more rounded experience, the longtime residents and experts who have contributed to the sixth edition of the Time Out Venice guide will lead you down back streets and into campi and calli where few tourists tread: to hidden churches with hidden artworks; to architectural and sculptural gems in concealed courtyards; and to districts where the everyday life of Venice goes on in time-honored, washing-festooned, market-haggling fashion. And the guide will take you beyond, out across the lagoon to verdant islands and swimming beaches, as well as to the magnificent cities — Padua, Verona, Vicenza, Treviso — and countryside of the mainland Veneto region. Highlights: • Venture beyond the well-worn trail from St Mark's to the Rialto and perfect the art of getting blissfully lost in the Venetian labyrinth • Explore art-packed churches and breathtaking museums • Escape the menu turistico and discover Venice's authentic eateries
