**Cults That Kill** Wendy Joan Biddlecombe Agsar, 2018-12-18 A true crime author explores what happens when cults cross the line in this anthology of false prophets, true believers, and tragic consequences. Thousands of religious, political and self-improvement cults are active around the world, and an estimated two to five million Americans have been involved in a cult at some point in their lives. While not all cults are destructive, these stories demonstrate how unwavering faith in an infallible leader can lead lay the groundwork for criminal acts as heinous as murder or mass suicide. True crime author Joan Biddlecombe Agsar uncovers what really happened inside some of modern history's most notorious cults, including: • The Manson Family Hippie devotees turn violent to manifest God's race war • The Peoples Temple Hundreds of utopia seekers meet their end in the Guyanese jungle by ingesting a cyanide-laced drink • The Vampire Clan Teenagers consume blood and bludgeon an unsuspecting Florida couple to death • Heaven's Gate Nike-adorned disciples commit suicide to transport onto a spaceship approaching • Earth Silvia Meraz Moreno's Santa Muerte Cult Members collect sacrificial blood by slicing open victims' veins while their hearts are still beating

**A History of the Apocalypse** Catalin Negru, 2018-07-26 Every generation of people think that their problems are the most important ever. As history flows without interruption and doomsday scenarios fail, the following generations focus on their own contemporary events, ignoring or underestimating the past. In this way people always see signs in their times and the end of the world is constantly a fresh subject.

**Cults Uncovered** Emily G. Thompson, 2020-02-04 The shocking truth about some of the most disturbing, criminal cults that have ever existed. How did Charles Manson inspire his family to launch a campaign of murder? What twisted ideology lay behind horrific events like the Waco Siege, the Aum Shinrikyo's poison-gas attack on the Tokyo metro, and the mass suicides and murders of Jonestown? Why did the suicidal members of Heaven's Gate believe doomsday was at hand? How did the idealistic commune of Rajneeshpuram collapse into shocking controversies, involving biological terrorism and attempted murder? Cults Uncovered explores these and many more strange and disturbing factions and sects from all over the world to expose terrifying stories of manipulation, coercion, abuse, and murder.

*Cults* Max Cutler, 2022-07-12 Mystery. Manipulation. Murder. Cults are associated with all of these. But what really goes

on inside them? More specifically, what goes on inside the minds of cult leaders and the people who join them? Based on the hit podcast *Cults*, this is essential reading for any true crime fan. *Cults* prey on the very attributes that make us human: our desire to belong, to find a deeper meaning in life, to live everyday with divine purpose. Their existence creates a sense that any one of us, at any time, could step off the cliff's edge and fall into that daunting abyss of manipulation and unhinged dedication to a misplaced cause. Perhaps it's this mindset that keeps us so utterly obsessed and desperate to learn more, or it's that the stories are so bizarre and unsettling that we are simply in awe of the mechanics that make these infamous groups tick. The premier storytelling podcast studio Parcast has been focusing on unearthing these mechanics—the cult leaders and followers, and the world and culture that gave birth to both. Parcast's work in analyzing dozens of case studies has revealed patterns: distinct ways that cult leaders from different generations resemble one another. What links the ten notorious figures profiled in *Cults* are as disturbing as they are stunning—from Manson to Applewhite, Koresh to Raël, the stories woven here are both spellbinding and disturbing. *Cults* is more than just a compilation of grisly biographies, however. In these pages, Parcast's founder Max Cutler and national bestselling author Kevin Conley look closely at the lives of some of the most disreputable cult figures and tell the stories of their rise to power and fall from grace, sanity, and decency. Beyond that, it is a study of humanity, an unflinching look at what happens when the most vulnerable recesses of the mind are manipulated and how the things we hold most sacred can be twisted into the lowest form of malevolence.

*Cults* Wendy Joan Biddlecombe Agsar, 2024-03-26 Discover the truth of what happens when true believers go too far with the shocking stories of the world's most known and horrific cults like The Order of the Solar Temple and the NXIVM Cult. *Cults* have been around for centuries, and many have been dubbed as satanic and murderous due to their heinous crimes. In *Cults: A True Crime Collection*, you will get to study the most notorious ones and what they did to achieve that notoriety. Get to know the story behind the scariest cults in history, including: Charles Manson and the Manson Family Heaven's Gate and their mass suicide attempts Blood-consuming cults like the Vampire Clan Jim Jones and the Jonestown Massacre The People's Temple and their cyanide-laced drinks And more! From gruesome suicides to clan murders, *Cults: A True Crime Collection* will tell you the real story behind the crimes and the leaders who orchestrated them. This book also studies the rise and fall of said clans and what led them to commit such terrible crimes like mass murders and human sacrifices.
