**Special Edition Using Mac OS X, V10.3 Panther** Brad Miser, 2004 The Panther release of Mac OS X continues the development of the Macintosh operating system. Mac OS X has become the dominant OS on the Macintosh platform and is currently the default OS on all new Macintosh computers. Mac OS X is a complex and powerful operating system for which no documentation is provided by Apple outside of the Apple Help system, which contains very limited information. Special Edition Using Mac OS X Panther provides the in-depth, wide ranging coverage that enables Mac users to get the most out of the operating system and included tools. This book explains how to get the most out of the core OS, including the Finder, desktop, and system customization. The book also shows readers how to use OS X's Internet applications for email, Web surfing, and .mac for publishing content on the Net. One of the book's major strengths is the extensive coverage of iTunes, iPhoto, iDVD, and iMovie. QuickTime and QuickTime Pro are also covered. The book helps readers understand and configure the technologies to expand their systems.

**Song for Chance** John Van Kirk, 2013-08-01 "A passionate, elegiac tale about the excesses of sex, drugs, and rock and roll over a tortured musician's lifetime" by the O. Henry Award-winning author (Publishers Weekly). Keyboard man Jack Voss spends his evenings in the relative sanctuary of the clubs, playing jazz standards on the piano and occasionally singing some of the songs that made him famous. But when his life of comparative comfort and solitude is rocked by a devastating personal loss, Voss is led back to *The Enchanted Pond*, the 1974 rock opera that catapulted his band, Vossimilitude, into the stratosphere. The story of an ill-fated love triangle based on the tense relations between Voss, his childhood girlfriend, and Vossimilitude's dangerous and charismatic bassist, Voss's masterpiece set him on a path to this day of reckoning. To endure, he must confront the tragic consequences of his self-absorption on the only firm ground left him: the piano. With the sure, unsentimental narrative command of writers like Richard Russo and Jonathan Franzen, John Van Kirk has brought to life in *Song for Chance* not just a fallen rock god, but—with the help of liner notes, bonus tracks, and the complete Voss discography—the whole sex, drugs, and rock and roll era with an immediacy so recognizable that it feels like yesterday. "Van Kirk raises compelling if age-old questions about the tension between art and life, and about our responsibilities to those we love." —The New York Times "A generously rendered account of a soul's journey through an unexpected life . . . The cadenced rhythms of *Song for Chance* will stay with you long after you've finished the book." —Richard Currey, author of
